# D'N'D Adventures

S3 E5

Does anyone else see that boat in the distance?
*NOM!*
Ok bye.

Meh, I'm sure Mara will be fine.
Hey Loser I'm gonna steal your hat!
NO!
Nah, just kidding!
Oh, thank goodness.
Well, we should go back to town to let everyone know that we've killed the dragon turtle.
Polar Bear
Alright! I'll stay here with Loser in the...
The Magic Tower (gone)
Magic... Tower...

Back at the town...

Hello there! What a fine establishment this is!
Why, thank you! We clean it every six months!
Do you have any rooms available?
We do have one. It's magically protected and actually has a bed! Only fifty silver per night.
Back in the forest...
Meh. What a rip off. I'm out of here.
Guys, I think we're lost.
Dench! Loser! Where are you?
Did you hear that? It sounds like Snowball's trying to find us.
No...

We're over here!
Hehehe, none of them have noticed me enter the forest. Now to pull some trickery!
MESSAGE!
Loser! This is your conscience, Loser!
My conscience?
You sound an awful lot like Udran, conscience.
What? No! This isn't Udran, this is your conscience!
Ok fine, it's me, Udran.
Do you think you could pass on a message to Dench?
Sure.
Ring Ring!
Hang on guys, I gotta take this.

Hello?
Hey Dench, it's Udran. I'm passing on a message for Loser.
Ok, what did he want to say?
Uhh... I forget.
What did you want me to tell Dench?
Tell him I think he's cool and that he should give me some of his armor.
Loser says that he thinks you're cool and that you should give him some of your armor
Loser thinks I'm cool?!
I'd focus more on that last part.
Here you go, Loser. You can have my left boot.
Hurray!
*LICK*

It was delicious, but sadly, it didn't fit.
What a shame.
Well guys, we've got a couple days to kill before the squire's twin gets here.
Alright, I'm going hunting in the meantime.
A little ways into the forest...
Hmm... I wonder what I might find in this forest.
Oh hey Loser! Fancy running into you here! Where's the rest of the group at?
God damn it.
Hi guys!
The Magic Man!
Ugh...

Would you like to buy something from me?
I sure would! Whatcha got?
This here's a bag of holding! It'll hold up to two thousand pounds of stuff and still feel weightless!
I'll buy it!
Hmm... It looks like once something goes in, it can't come out...
And yet you've already paid for it!
You know, it could be worse. At least now I have an infinite trash bag.
By the way, you should be running into one of my friends soon.
Anyway, I need to get going. Bye!
POOF!

Well, we've still got a couple days to kill. I'm gonna head to town.
I'm gonna go too!
2 BEST FRIENDS, GOING TO TOWN!
I'm gonna go too!
3 BEST FRIENDS, GOING TO TOWN!
This place looks awesome!
The Salty
Fish
Bar & Inn
OPEN

Welcome! What would you like today?
I'll take a pint of ale please.
What about you, bird man? You want some bird seeds? Haha! I bet you want some bird seeds, you stupid bird man!
Meanwhile...
Here you are, sir!
Thank you!
Hello Udran! Are you ready to travel back to Neverwinter with me?
Sure! We just need to group everyone up.
Would you like anything else today, sir?
Actually, do you happen to know of a town called the Dry River Port?
Sorry, I can't say that I do...
That's alright, I'll just take another pint please...

Mind if I have one too?
Oh hey squire!
Two pints of ale, coming right up!
So what's up with Eg?
She called me a stupid bird man.
So where are the others?
Well Mara was eaten by a boat, but the rest are in the forest. We'll just stop by and get them before we leave.
Eventually...
Alright! Now that we have everyone... except Mara... we can head back to Neverwinter!
You know you're brother's dead, right?
Hey, I bet you're glad we don't have to worry about that other guy who kept annoying us on the way here!
Who do you mean?
You know, the ma-
DID SOMEBODY SAY "THE MAGIC MAN"?

Oh. That guy...
Would you like some more cheetah's blood?
No, thank you! I have become faster than any cheetah's blood potion effect by turning into a wizard.
Polar Bear
Then how about a bracelet of speed? Of course, only the bracelet would gain the speed effect.
Or I could give you a third leg... that extends out of your face...
Polar Bear
Do you have a potion that could give me a second tongue so that I can eat twice as much ass?
I sure do! Consider it sold!
Uh-oh. It looks like you'll be running into my friend soon.
How soon?
Like forty minutes...
...or maybe three hours...

7 hours later...

HEY! I SPEAK ABYSSAL!
POOF!
Sorry. Did that guy scare any of you too?
Actually that was on of our friends...
Polar Bear
Don't worry about it, I also speak abyssal.

Ok this is great and all but what are you doing and where's Loser?

I am on my way to incinerate a dragon turtle!

Wow, that's a coincidence. We're just on our way back from having killed one.

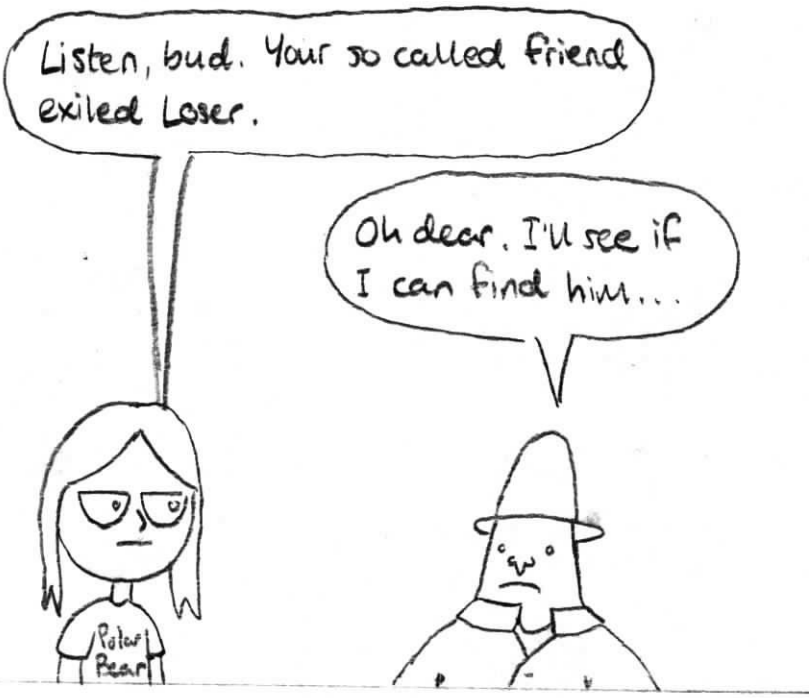
Well that saves me some time, thank you!
As for your friend, he'll be back in a minute.

Ok bye!

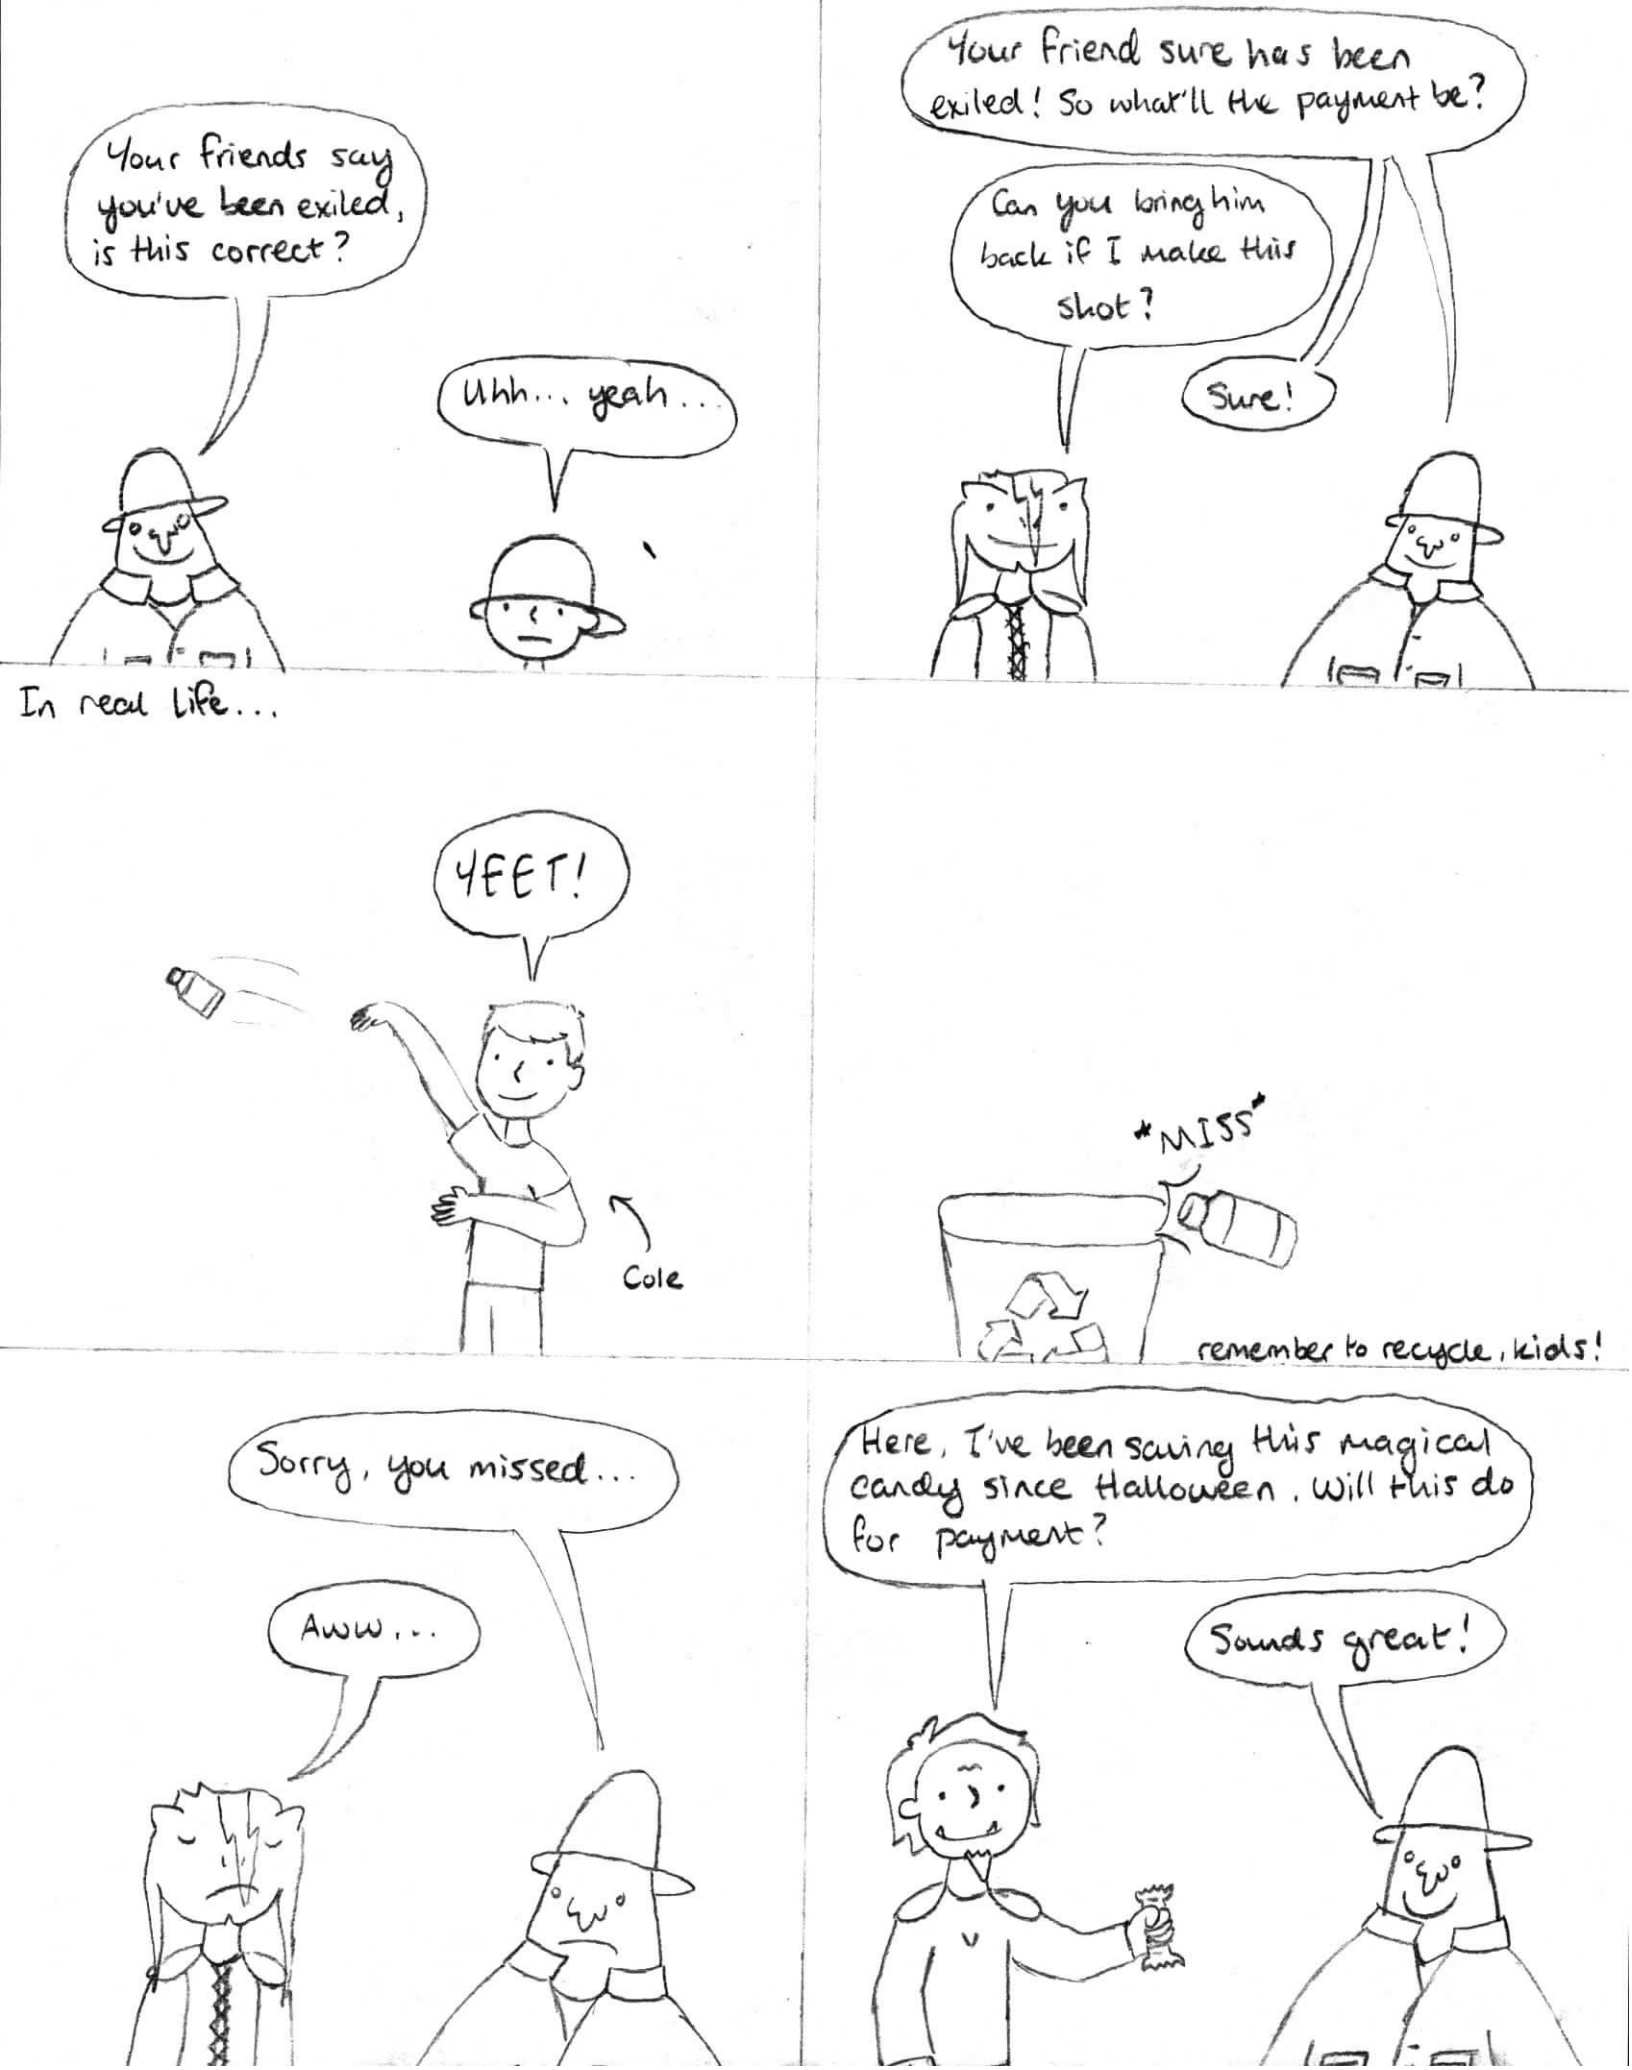
POOF!

1 minute later...

The next day...



Meanwhile...



Your friends say you've been exiled, is this correct?
Uhh... yeah...
Your friend sure has been exiled! So what'll the payment be?
Can you bring him back if I make this shot?
Sure!
In real life...
YEET!
Cole
*MISS*
remember to recycle, kids!
Sorry, you missed...
Aww...
Here, I've been saving this magical candy since Halloween. Will this do for payment?
Sounds great!

Yeah, you can eat it yourself, or you can resell it if you want to...
*SQUISH*
...or you can just crush it between your fingers...
I'll be right back.
Alright, Loser. You're free to return! All you have to do is shake my hand!
Gross...
Oh, and your pig too...
*SQUISH*
*SQUISH*

Yay, Loser's back!
Man, it sure is great to be back in this heavily wooded area!
Suddenly...
Oh no! I've turned into wood! It must be because of the magic candy!
Oh well, I guess it could be worse...
Now let's go get our reward!
To be continued...
