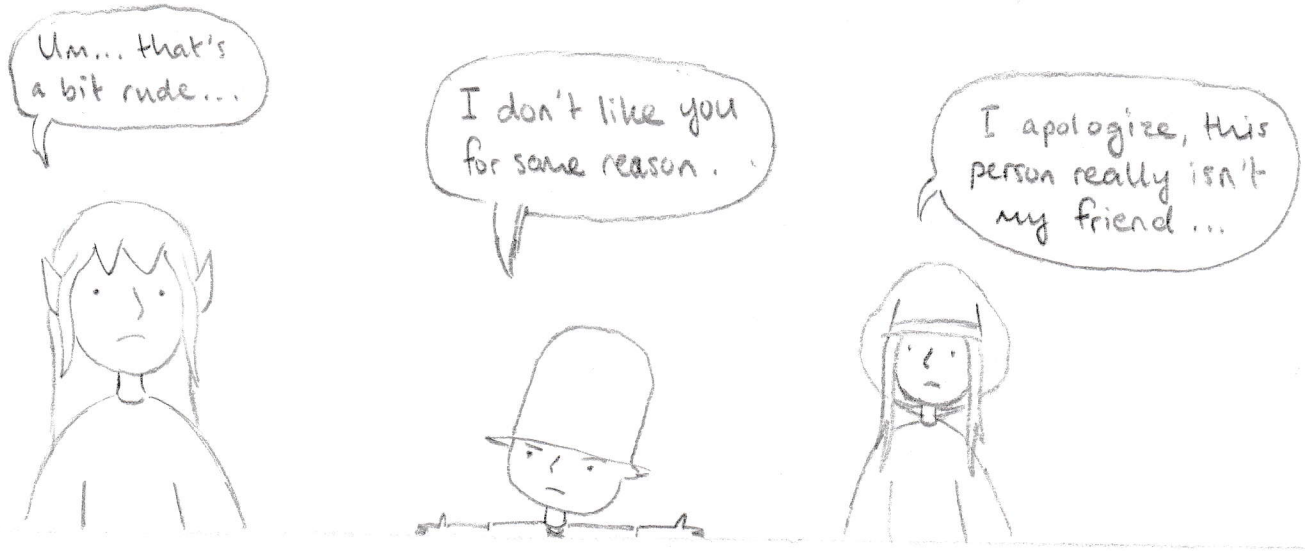
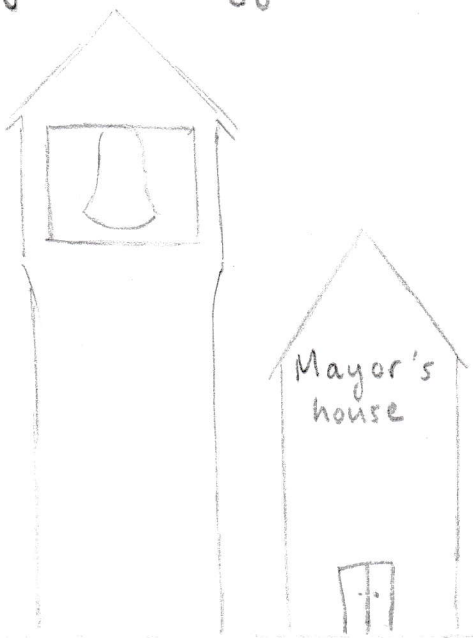
Season 2 Episode 3

MAJIK SHOP
OPEN
Yay majik!
Hi, welcome to the magic shop!
What's your cheapest item?
Never mind I can't afford it.
original humor
Tell us why everyone is celebrating.
Well basically a frog man showed up and healed us of our disease.
He had a magical skull, I wish I could have analyzed it but of course he was very private about his posessions.
Boring! Sell us a scroll!

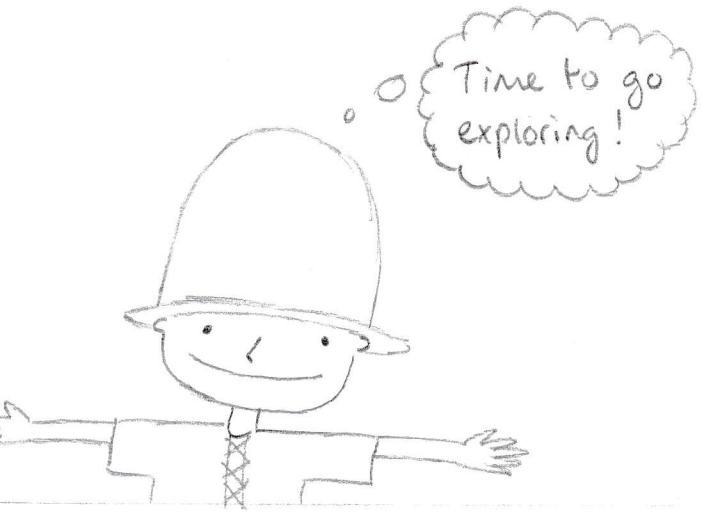


After some magic shopping... and dagger removal advice...



Come party with us!
Some rando
Ok
Hello, welcome!
The mayor
The mayor's daughter
Hello, can you help me with this dagger?
Allow me to take a look.
Before I start, how are you in terms of fire resistance?
Uhh...
Polar Bear
Polar Bear onfire

Damn, I thought that would work...
Ow
Let me try something else...
I feel cold...
Yay, I'm uncursed!
Yay!
How am I supposed to get this dagger off the ground now?
One more thing. Would you mind if I stay the night here?
Of course! Just no touching my daughter!
I am a straight female...
Ladies, please, there's plenty of me to go around!
And this is how you play an E chord...



Time to go exploring!

Excuse me, where do you think you're going?
Uhh... Bathroom

Meanwhile...

Oh. It's that way...

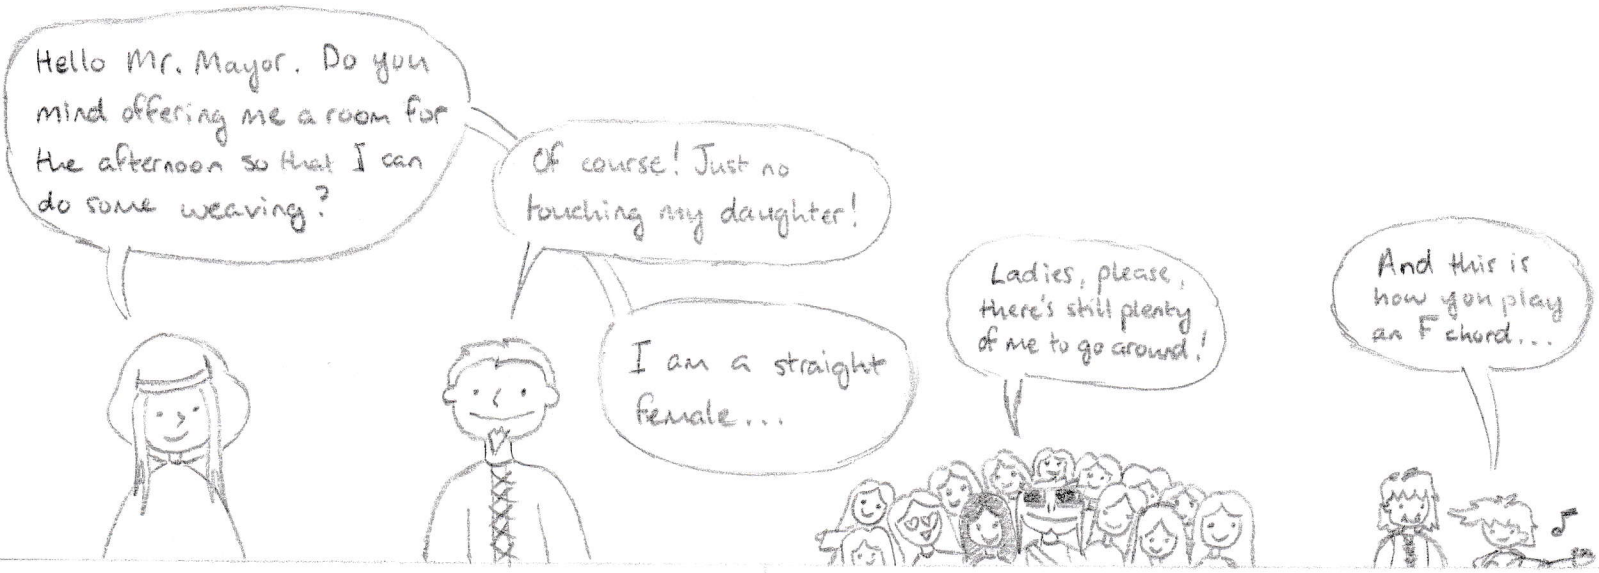
Right, time to find an inn...

Excuse me, do you know where I could find an inn?
Uhh... that way...
Thank you!

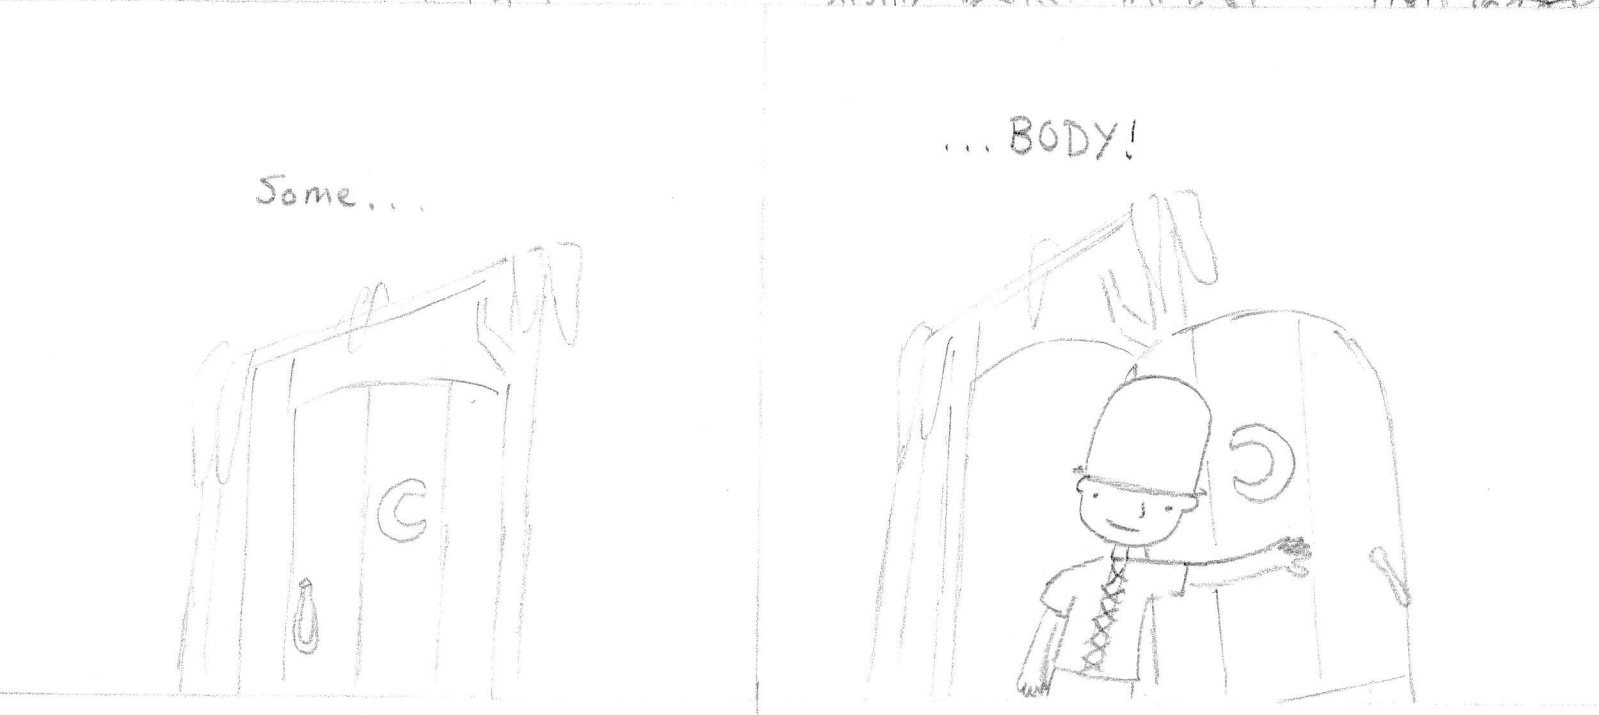
(That way...)

Hmm... there's nothing here...
I'm going to ask someone else, that last guy seemed pretty drunk.
But there aren't many sober people around...
Excuse me young boy, do you know where I could find an inn?
Hey, mom, is there an inn somewhere?
Uhh... that way...
Later...
MAGIC SHOP
(Yes, we fixed the typo...)
OPEN
At least there's one person I can ask!
Sorry, there are no inns in this town. I'm sure the mayor wouldn't mind giving an adventure like you a place to stay, though.
Go figure...

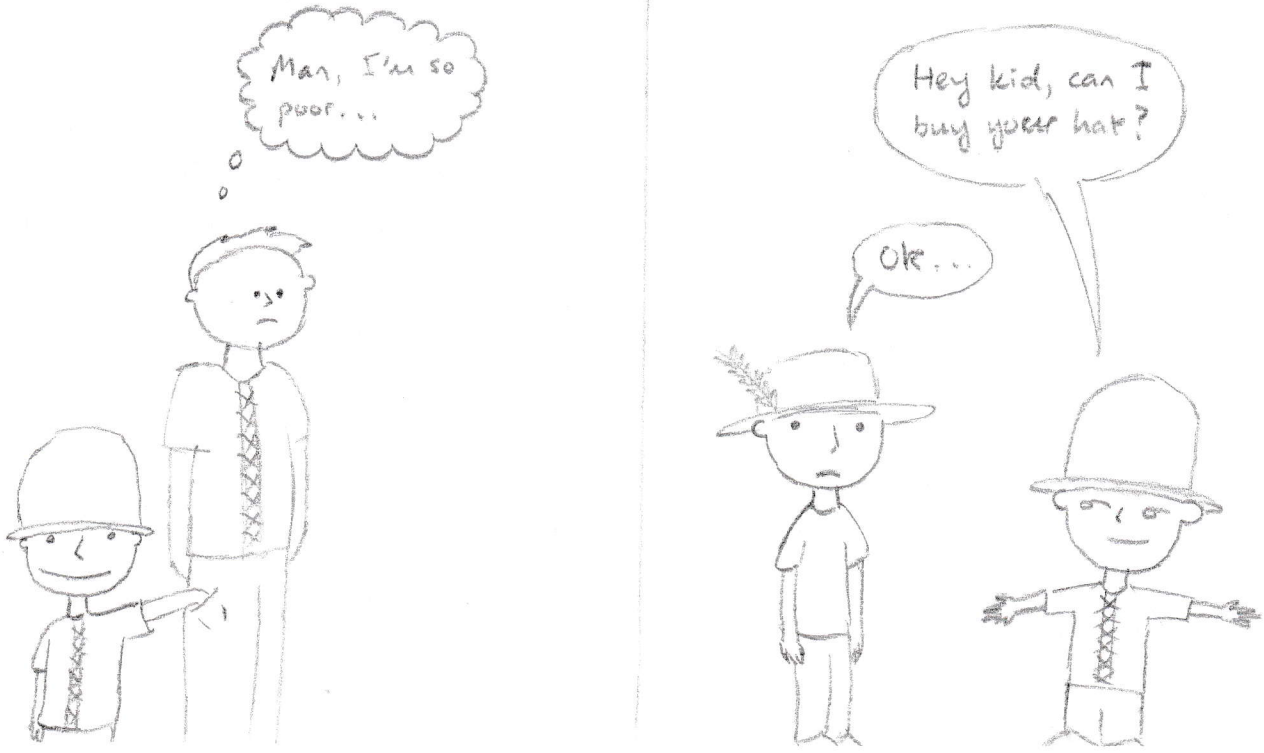
Later...



Hello Mr. Mayor. Do you mind offering me a room for the afternoon so that I can do some weaving?
Of course! Just no touching my daughter!
I am a straight female...
Ladies, please, there's still plenty of me to go around!
And this is how you play an F chord...



Some...
...BODY!

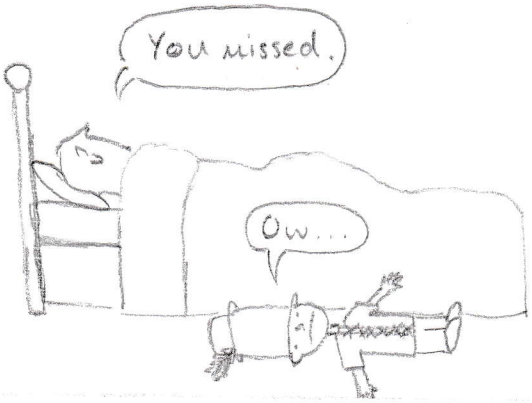


Man, I'm so poor...
Hey kid, can I buy your hat?
Ok...

Ok, now I've taught you the basics, we should look for an instrument store!
Can I come?
Sure!
Nice hat!
Stay at my house!
I love you!
I need a place to stay the night...
Come to my place!
I have the best house in town!
Later...
Well, there definitely isn't an instrument store in this town...
Let's get going, boys.
(Note: this epic feat granted us one night's stay in the mayor's bedroom.)

That night...

Time for bed...
Uh, hey, you're taking up too much space...
I fell out of bed...
Hey fatso, I said you're taking up too much space!
What did you just call me?
{SHOVE!}
Ok, if that's how you want to play it...
...Take this!
I'm a ninja star...



The next morning...

Good morning!
I sure am!
Good morning! Are you ready to get going?
Finally, I can sleep in the mayor's nice bed!
I'll be right there, I'm just making the bed.
Come on! Let's go!
Damn...
I'm coming!
