

D'N'D Adventures

Season 3 Episode 2

Man, this mashed
potato is delicious!

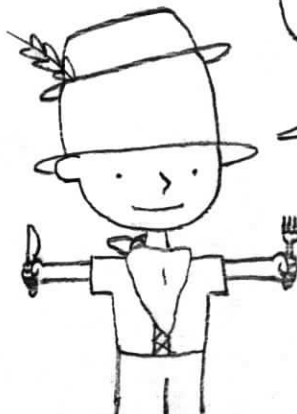

Thank you for saving our beloved princess!

Please enjoy one night's stay at the castle for your accomplishments!

Ok can I have food now?

The next day...

You and your group have been requested to attend to the throne room.

Thank you for telling me, the leader of the group, this information.

In the throne room...

Gentlemen, I have some news. King Lelouch has unfortunately died of an illness. Effective immediately, I shall be taking over as ruler.

Gentlemen?

But what about the princess? Wouldn't she be next in line?

Guard, I wish to speak with this group privately for a moment.

As you wish, sir.

Ok let's cut the
crap, I know exactly
what happened to
Lelouch. I went to
that dreamworld as
well but got kicked
out for being too
boring. The princess
will act as a puppet
ruler and will receive
royal treatment, and
you guys will get
your rewards. That's
what you wanted,
right?

Smh stop
monologuing

You talk too much.
But thanks for
giving back Piggie.

Oink

Now if you don't
mind I have some
jobs for you. You
could investigate
some mysterious
disappearances,
explore a hidden
temple in the
desert...

Or you could
investigate the
mystery of the ships
that have been
sinking in a harbor
town not too far
from here.

Ships

Harbor town

Water!

Can we do the
sinking ships one
please?

Sure. I'll provide
you an escort who
will be the squire's
twin brother since
he's a recurring
character.

Anyway, I'm out
of here. I've got king
stuff to attend to.

Suddenly...

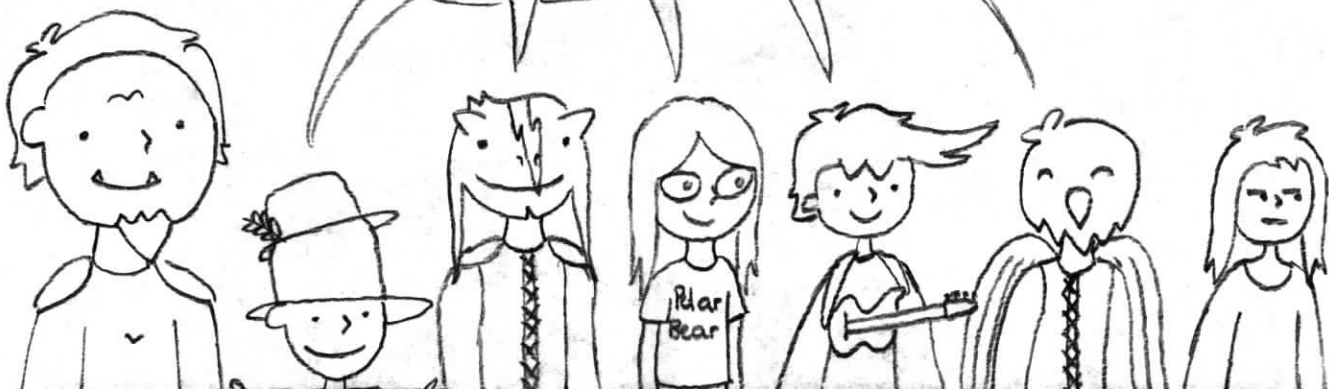

POOF

I'm The Magic Man!
I sell magical items right
outside the city walls!
You guys should pay me
a visit!

YAY!

Later, outside the city...

Alright guys, let's get going.

You're way cooler than your dead brother!

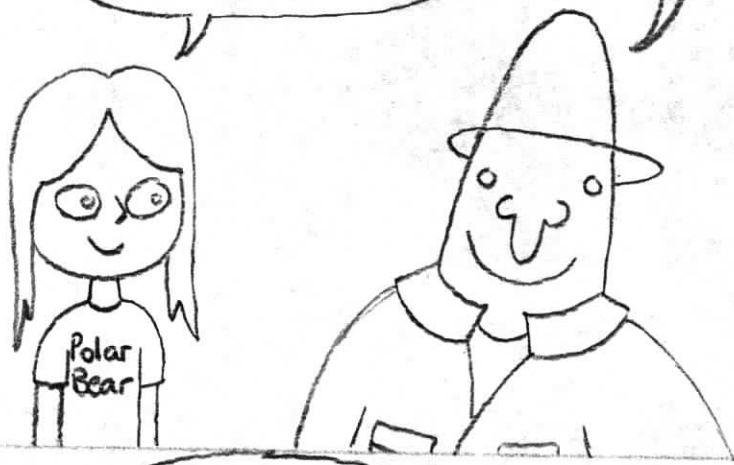

Suddenly...

} POOF {

Hello, The Magic Man!
Do you have anything that can make me go faster?

Try this Cheetah's blood!

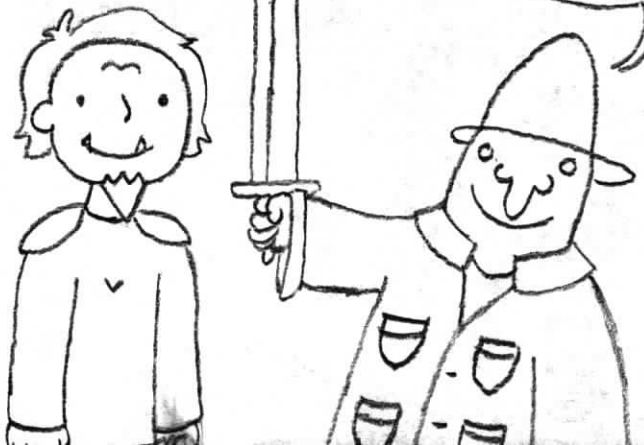

Uhh, it didn't do anything...

But you've already paid for it!

The Magic Man!
Do you have any greatswords?

Try this sword of melting!

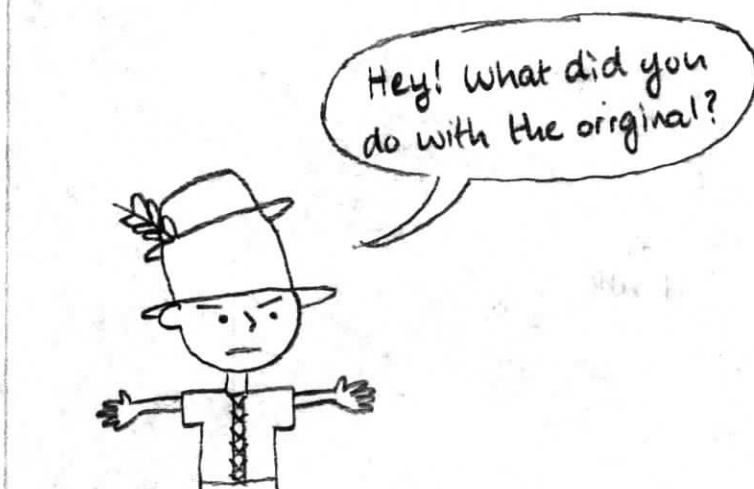

Uhh, it's sinking into the ground and I can't pick it up...

But you've already paid for it!

Several painfully annoying days later...

Ok listen, I'll pay
you to make Epona
look like how she did,
let's say, a month ago.

Ok!

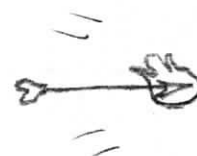

Isn't this the horse
that I sold to that
gnome about a month
ago?

Alright, you asked for it.

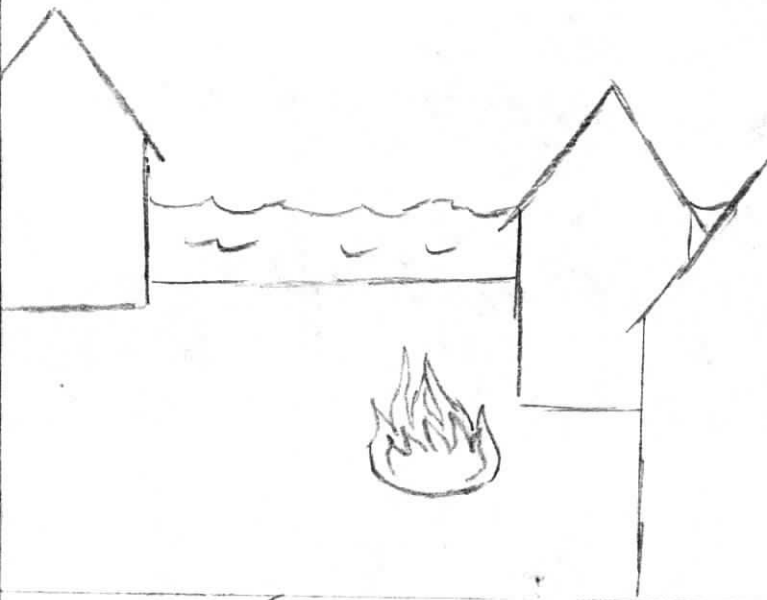

Welp, looks like I
gotta get outta here.

Oh, God. I missed the bird.

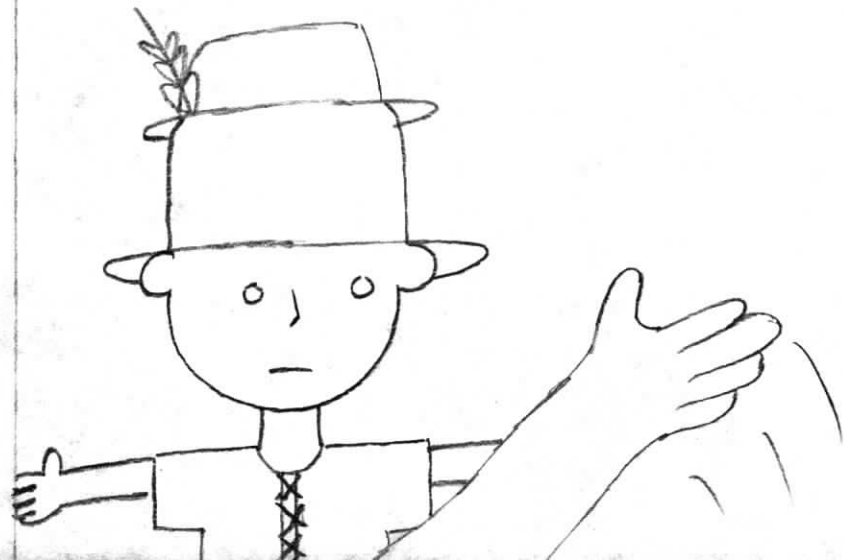

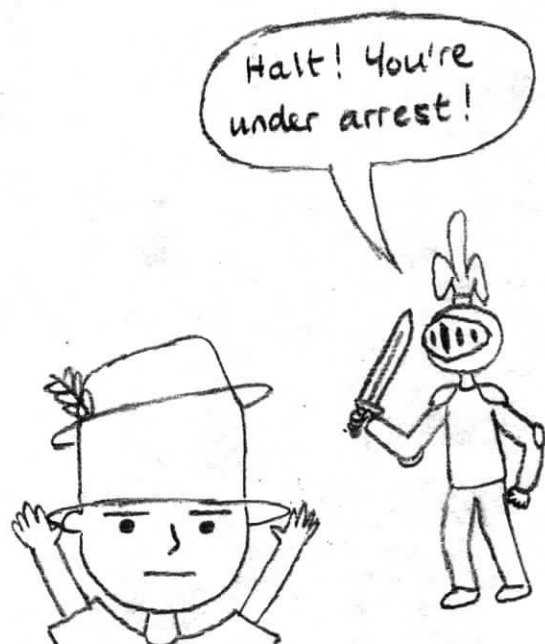

Ray of frost!

Excuse me, did you start this fire?

Listen, I'm not in the greatest mood right now.

Should we
heal the dead
guy?

Yeah, that's
probably a
good idea.

Ugh... who
was that guy?

We have no idea.
Unrelated, but who
should we talk to
to get information about
those disappearing ships?

The town hall...

Yeah, the ships have been disappearing between 8-12 every night. There's only been one survivor so far, you should talk to him. He's next door.

Just don't mention any ships.

You guys literally did the one thing not to do...

Hey you know that gnome who killed a guy? Can we have him?

Yeah, I suppose.

Guards! Go get that gnome from his cell.

Next door...

So what can you tell us about the disappearing ships?

Ships! Ah!
Cave! Ah!
Forest! Ah!

Why?

Oh, we might need him... as a sacrifice!
Yeah! You were going to execute him anyway, right?

To be continued...
