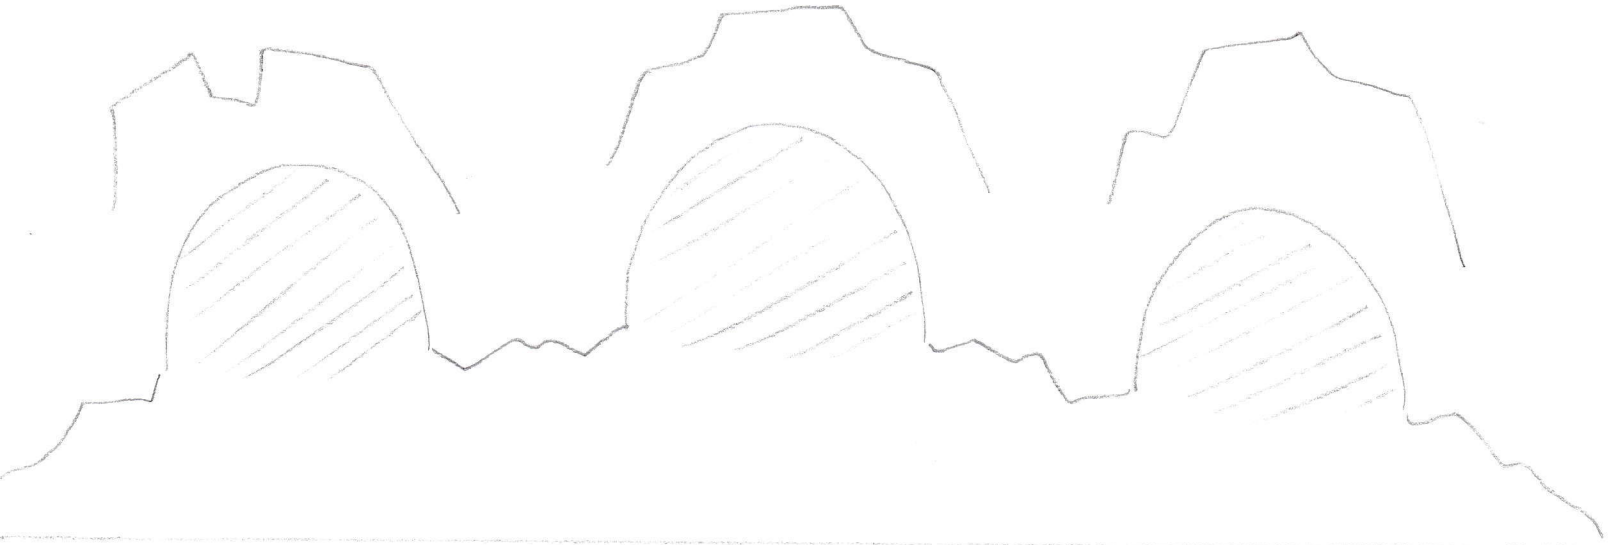
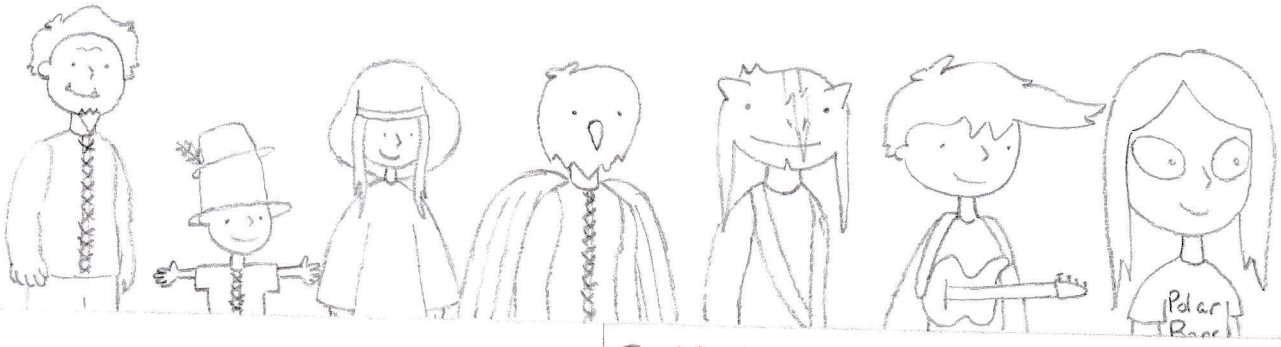
} MIDDLE TUNNEL TIME! {



And so, Udran and co. Traveling Circus & Merchants went single file down the middle tunnel, even though the middle tunnel wasn't narrow at all...



Suddenly, an opening!

Woah! It's everywhere!
This appears to be poor man's moss, which is quite different from healthy man's moss!
By the way, what's that in the middle of the room?

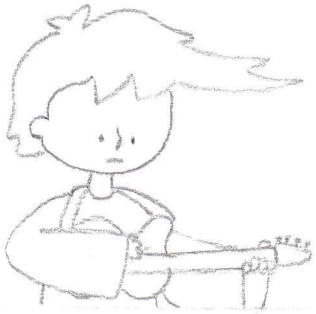
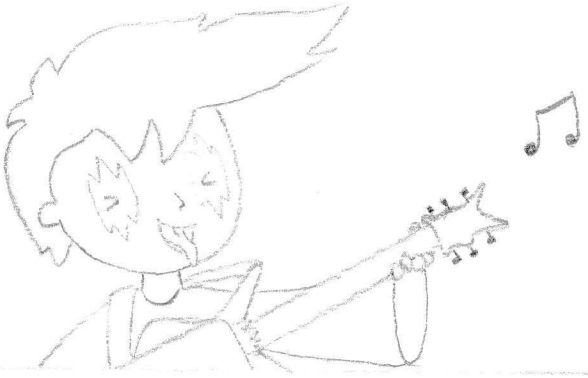
I don't need my sharp stick anymore. With this box, I can do damage with my guitar!





And so, that's the story of how Udran & co. Traveling Circus and Merchants became Udran & co. Traveling Circus and Death Metal Band (and Merchants)

To be continued...
