

# D'N'D Adventures

Season 2, episode 2

We have decided that since you got us the icosahedron, we will forgive you of your crime, as long as you retrieve us another magical item from the North Village.

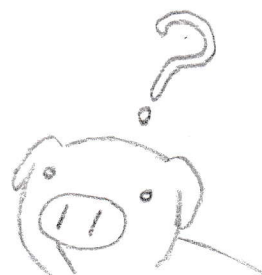

This calls for some cowbell!

You'll get this back. Once you've completed your assignment.

We're also keeping the pig since he is clearly the most valued member of your team.

Mind if I go  
inside and  
keep watch?

That's fine, I'm  
working on a group  
project anyways.

8 hours later...

I'm a regular human with no darkvision, and yet I'm keeping watch in this deep, dark cave.

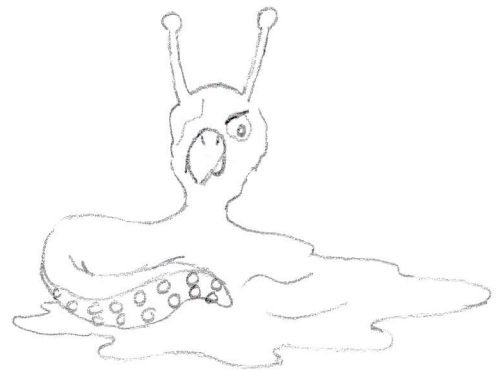

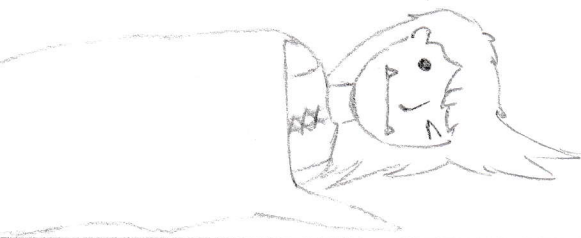

Uh, guys, wake up...

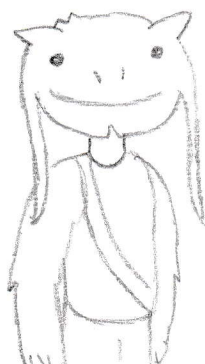

(all I know about this monster is that it has a beak and at least one tentacle, the rest is artist's interpretation)

What's that sound?

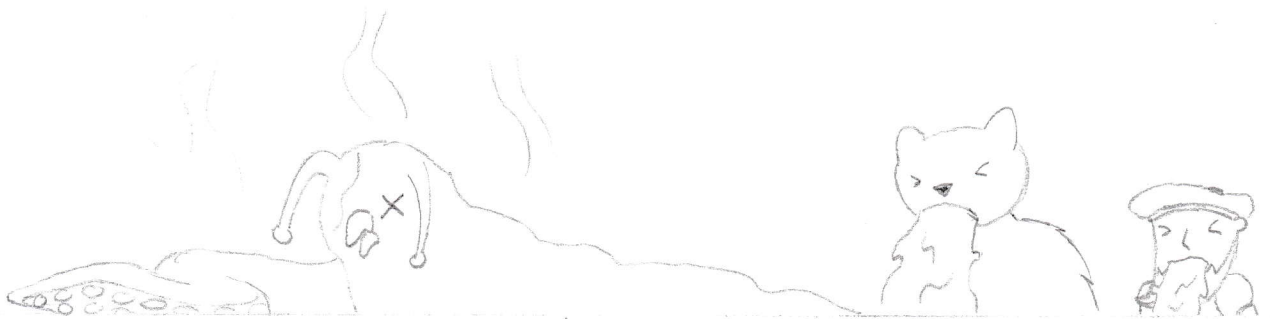

Can we keep it?

No.

One boring fight later...

Hey gus, I'm  
back from my  
group project!

That night,...

I also don't have  
darkvision, but we're  
long past that. Especially

How are we supposed to get to the North village now?

I keep telling you guys, I've known the way this entire time!

Alright, are we ready to go?

Yes.

Ow!

This ring must be cursed

I'll just put  
it away...

Are you  
feeling alright?

Yes

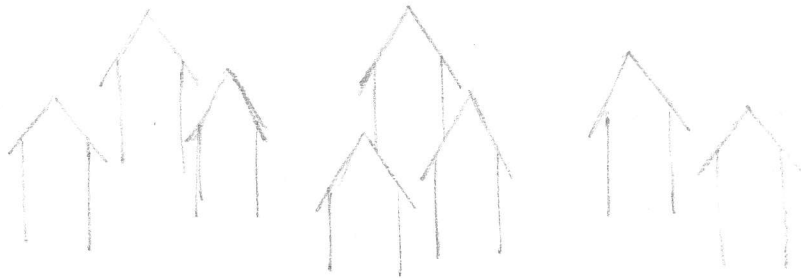

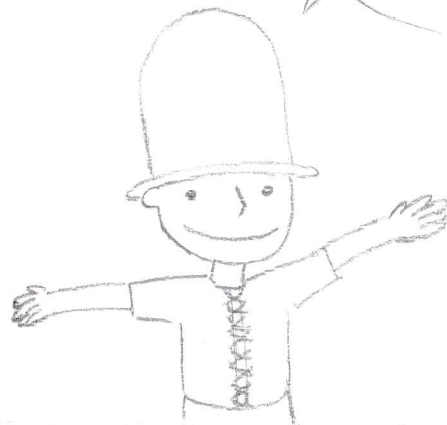

Later...

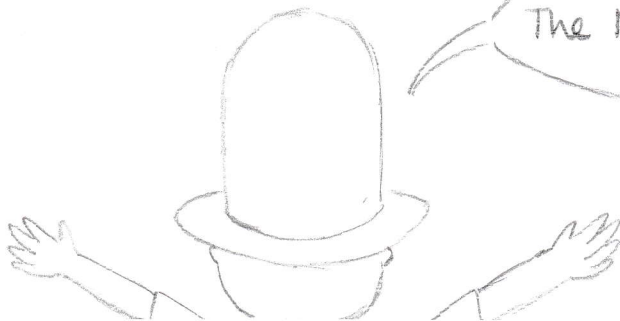

...ow...

Alright guys,  
we're finally here!

The North Village!
