Valentine's Day
Special!

} SLEEP! {

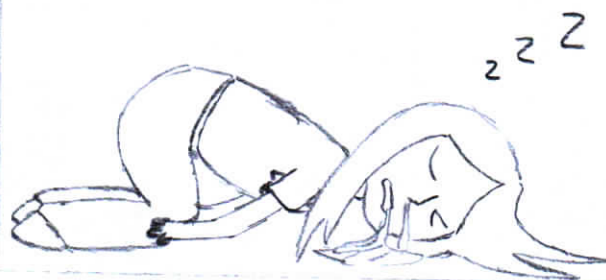

} MORE SLEEP! {

} EVEN MORE SLEEP! {

} SO MUCH MORE SLEEP! {

} DREAM WORLD! {

Back in the cave...

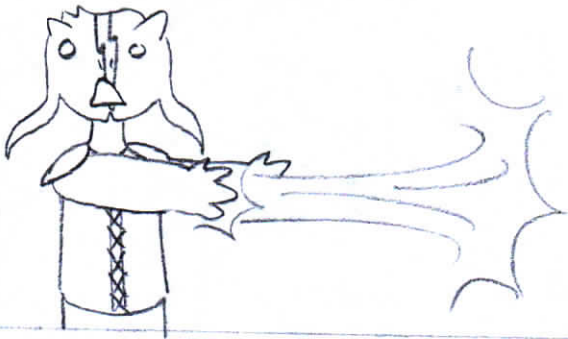

Ole, I've learned my lesson, no wearing plate armor near water.

Valdora, watch out!
There's another water boi!

AHH!

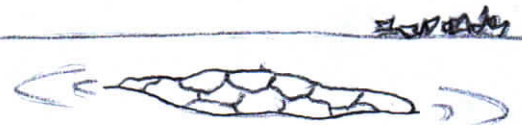

Ha! Just kidding!

Eventually...

Woah, this opening is huge!

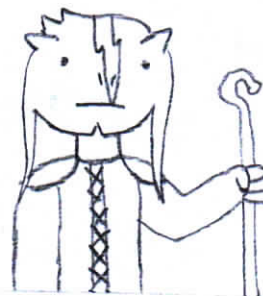

Woah, these ships
have been torn
apart!

I think it's
looting
time, boys.

What's
this
thing?

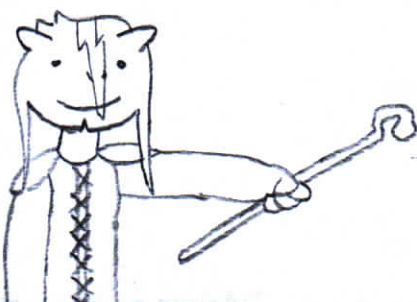

Looks like
some kind of
bird staff.

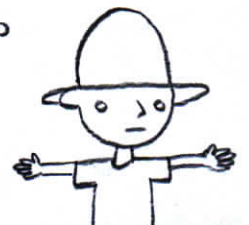

A what
staff?

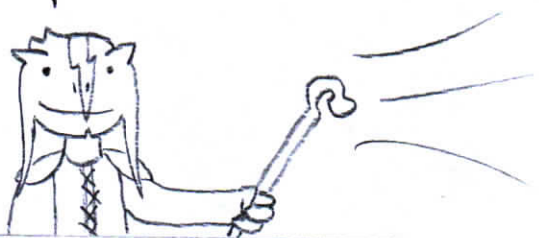

Guy's, I think
there's a duck
around here
somewhere!

QUACK!

Maybe there's
something in the
water!

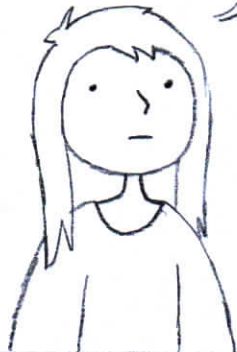

GOBBLE!
GOBBLE!
GOBBLE!

3 QUAKE! 3

Hey, you
know what?

It's bean
planting
time!

Bean Counter: 3/10

{ SPLASH! }

Not my
dress!

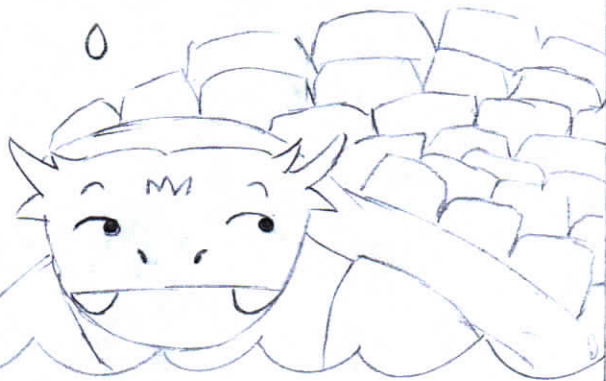

{ QUAKE! }

Oh no! The island
was a dragon turtle!

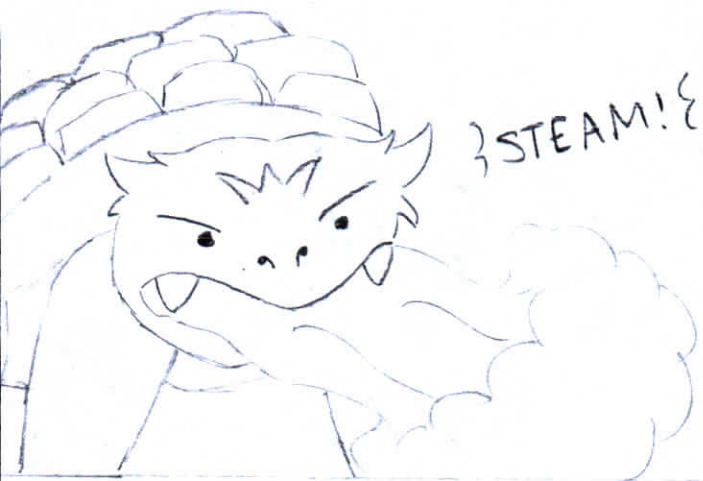

Hey, Bowser!

Over here!

{ RUN! }

{ STEAM! }

I'm out

Outside the cave...

Guy's, we need to go back to town!

But they'll kill me!

Also you look hot.

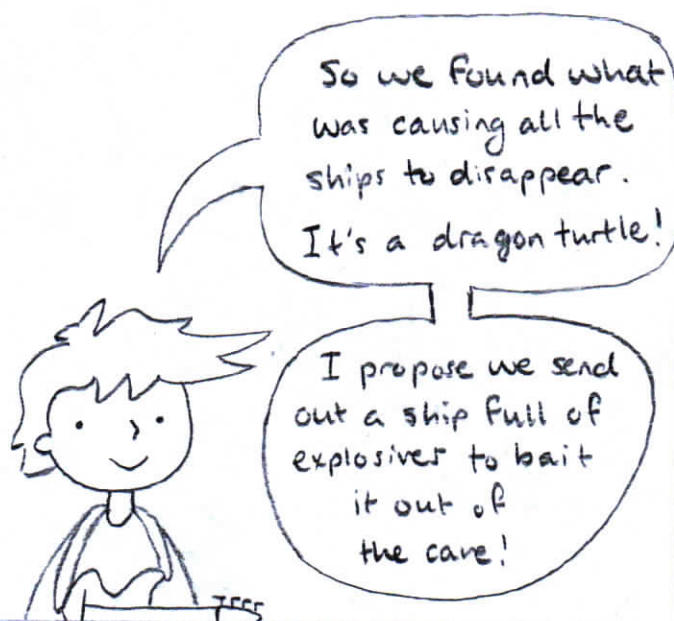

It's fine. Dench and I will keep him company in ~~XXXXXX~~ ~~XXXXXX~~ ~~XXXXXX~~.

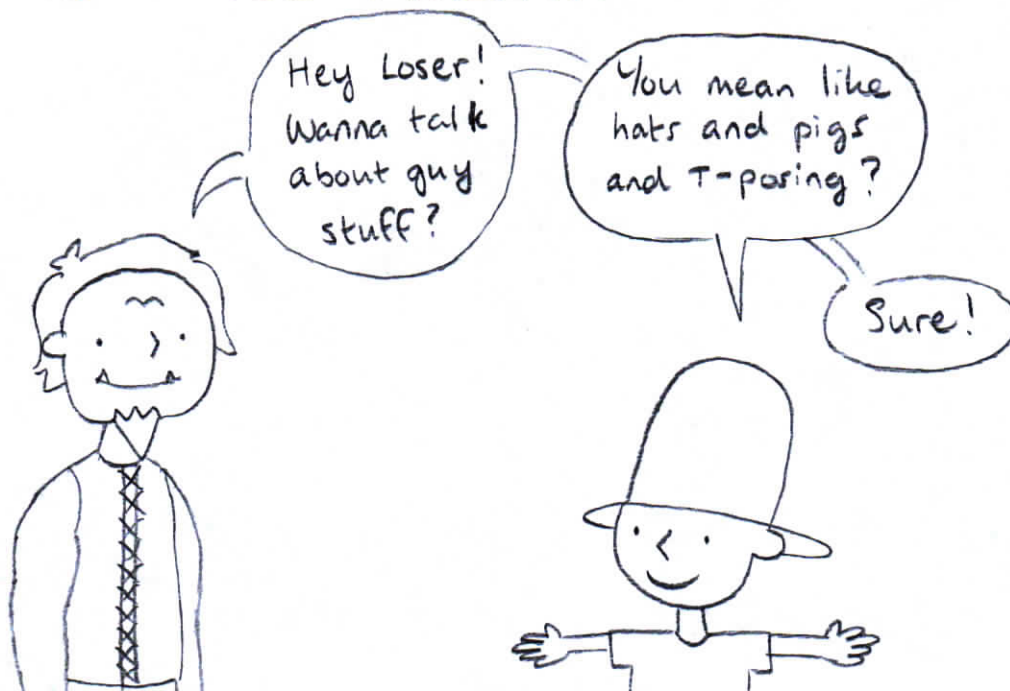

Back at the town...

Note: I didn't know this was a FMA reference until after the fact.

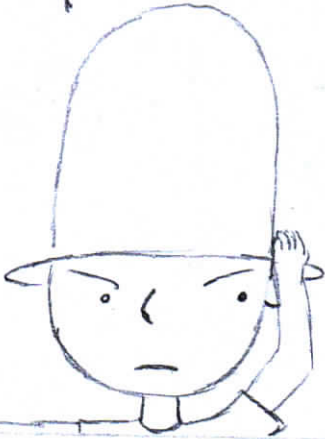

Meanwhile, in ~~THE MAGICAL FOREST~~...

Anyway, my
favorite thing
about T-posing
is that -

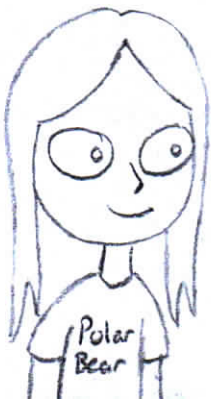

Hey! Were you guys
trying to steal my hat?

Uhh... It sounds
like the others are
back. Let's hear
what they have to
say...

Hey guys!
We're back, and
we have news
to share!

Also, we managed
to retrieve your
Phoenix Bow!

After some explaining...

So we're going to put explosives on a ship?
I don't think that explosive damage is going to be very strong against a sea creature.

Well, they also said they could bring in a professional, but that would cut our pay.

Later...

Hello there gentlemen,
my name is Torbjörn.
I'm a necromancer!

Note: Unlike Lt. Hughes, I got this reference.

So here's my idea.
We clone one of you
in case they happen
to die.

Say no
more!

I'm kind of
squishy now that
my armor was taken
from me since I
murdered a guy.

How is it still
wearing a hat?

Time to bait out
Bowser again.

} RUN! {

Outside...

Alright everyone,
get ready!

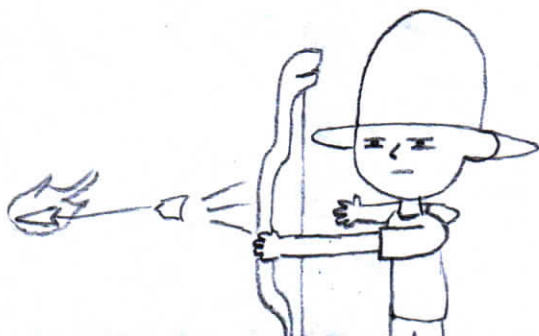

Polar
Bear

SHAPE
WATER!

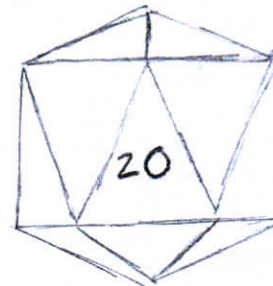

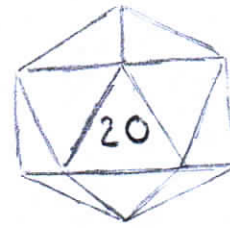

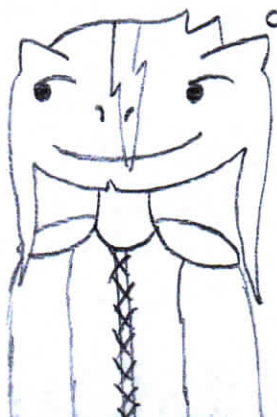

Alright everyone!
Attack!

Ok Valdora, focus. You haven't had a very good track record with hitting Eldritch blasts, but now is time to show things can change.

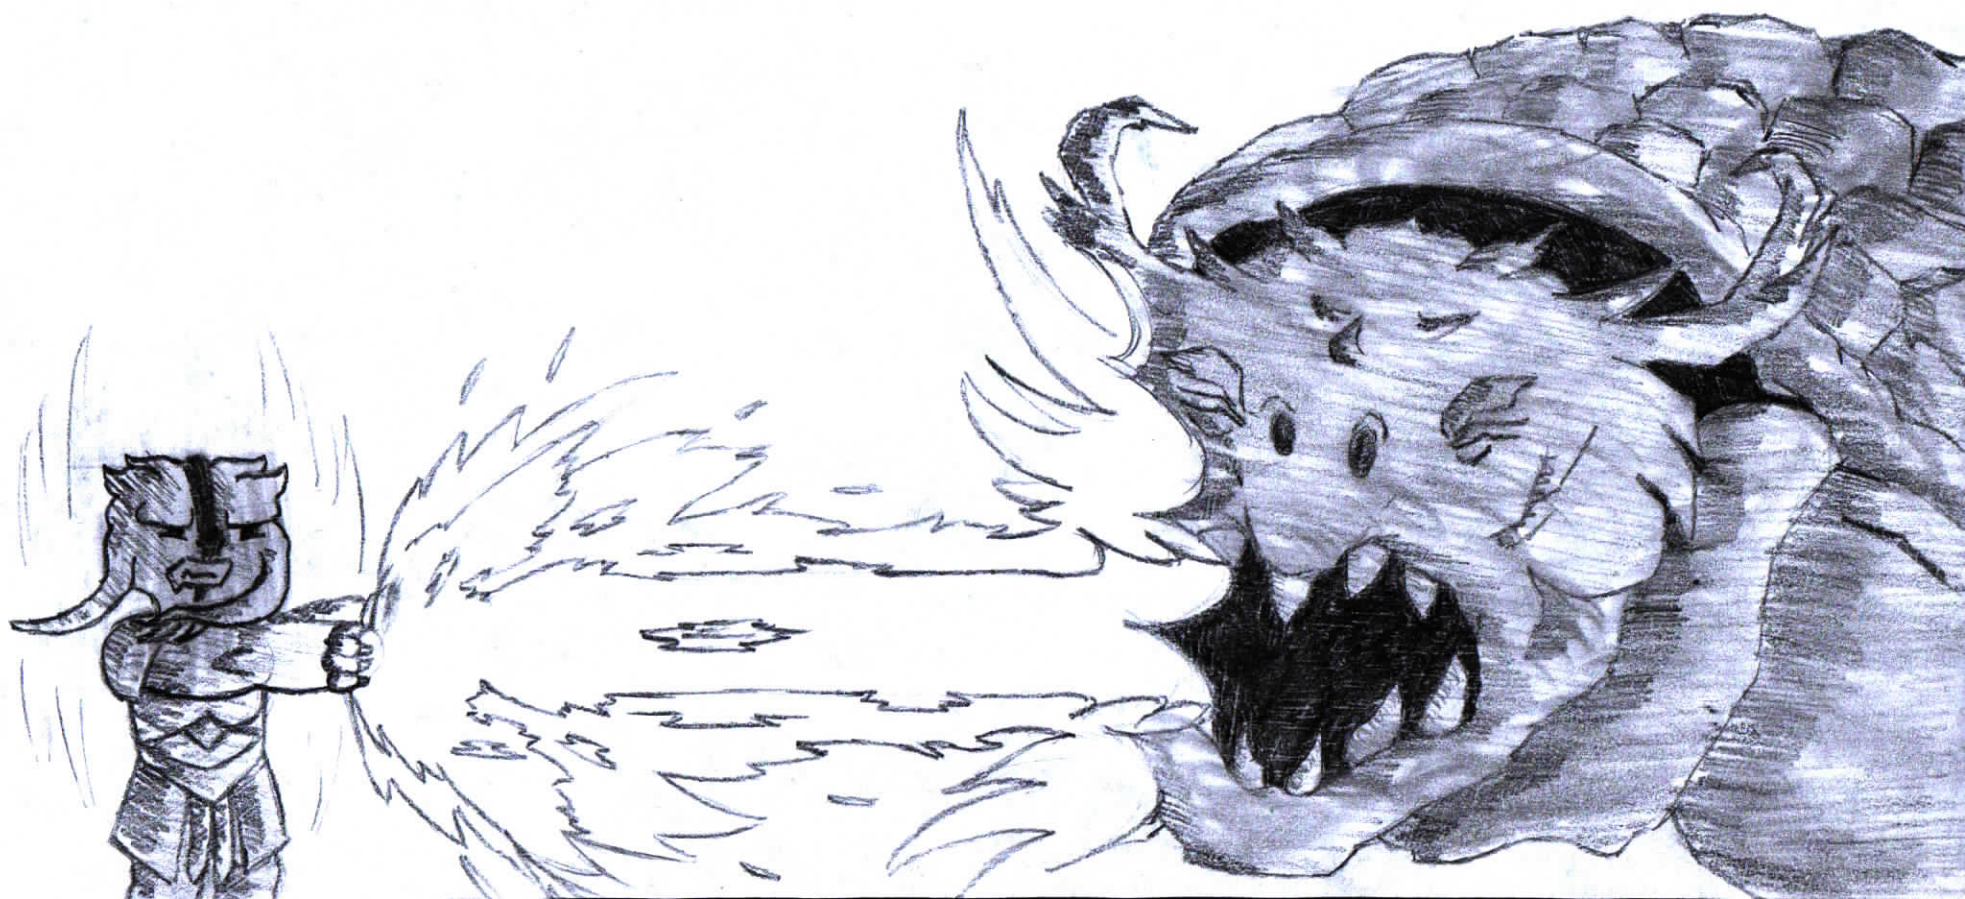

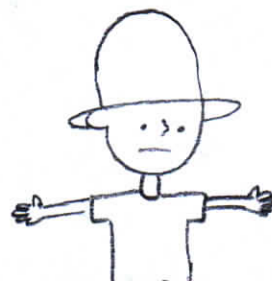

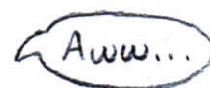

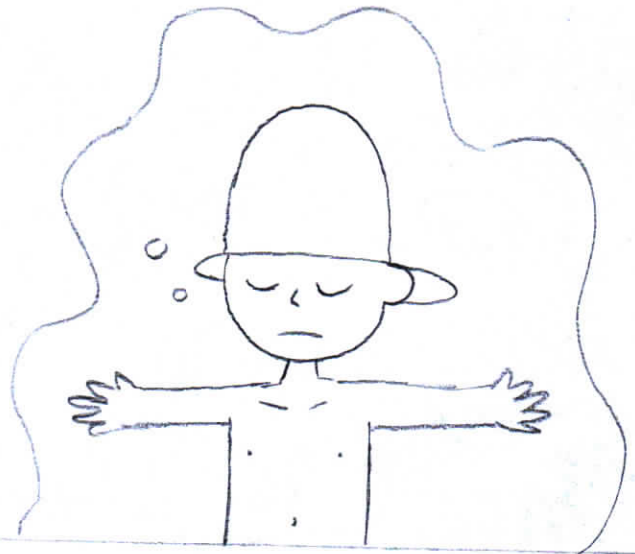

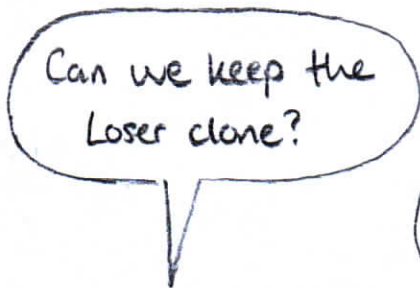

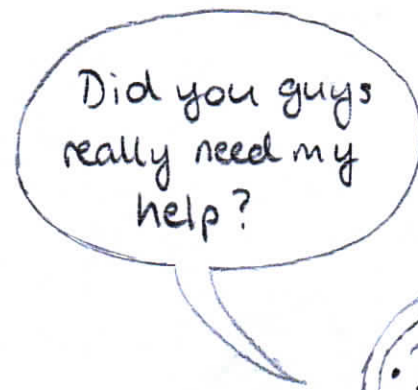

Now that's what I'm talking about!

ELDRITCH BLAST!

To be continued...
