Adventures

S3 E5

Look at me.
I'm the wizard
now.

Guy's, I got stuck
in the turtle's ass...

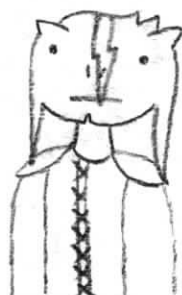

NGL, He
thicc

I'll save
you, Valdora!

Now I'm in
the ass too!

* GRUMBLE *

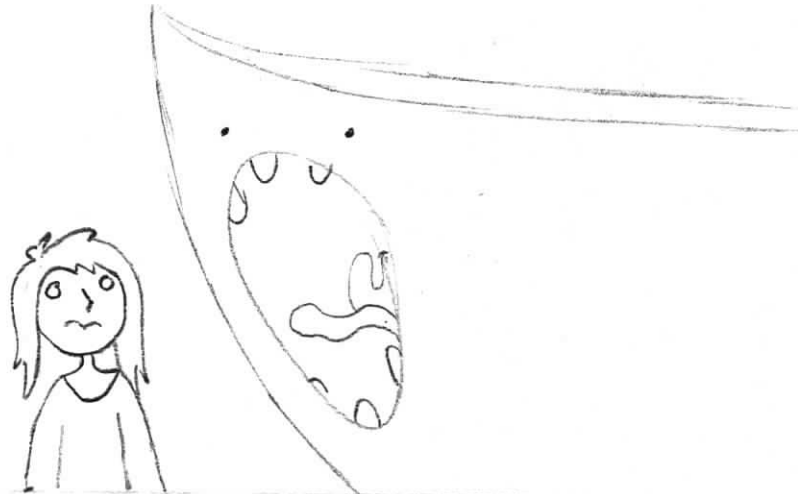

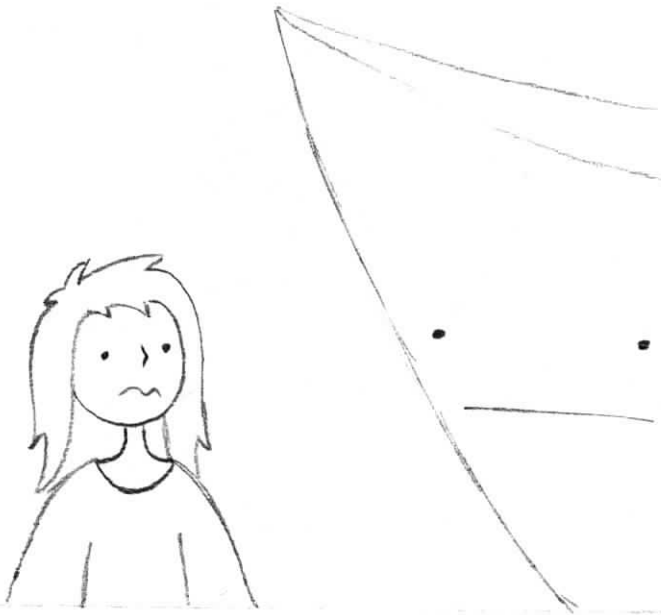

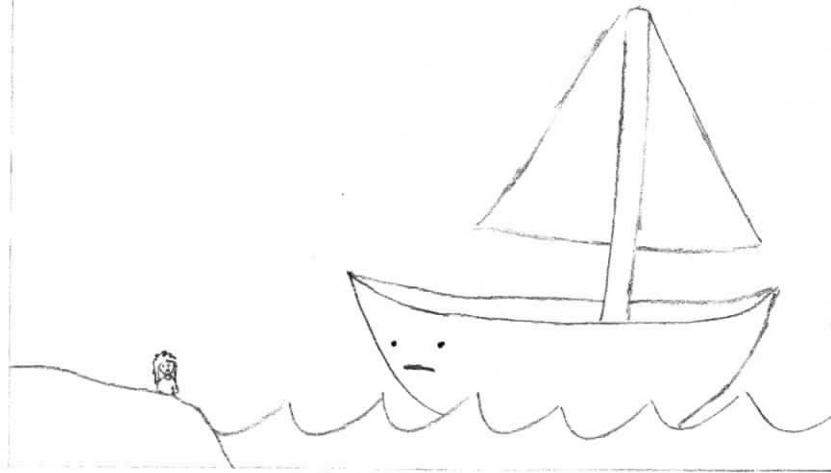

{ TOOT ! }

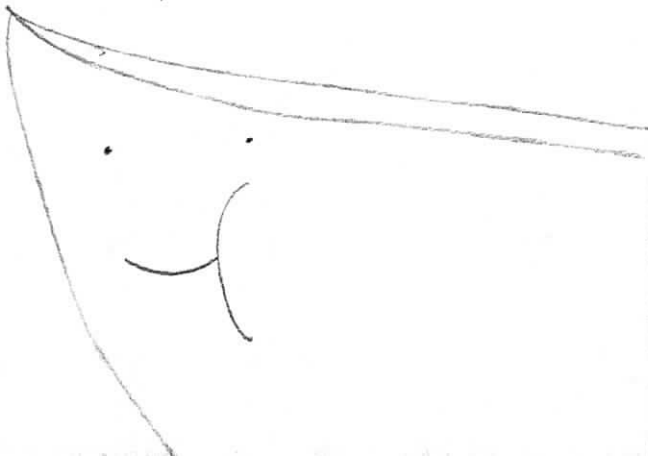

Oh poop...

Does anyone else
see that boat in
the distance?

NOM!

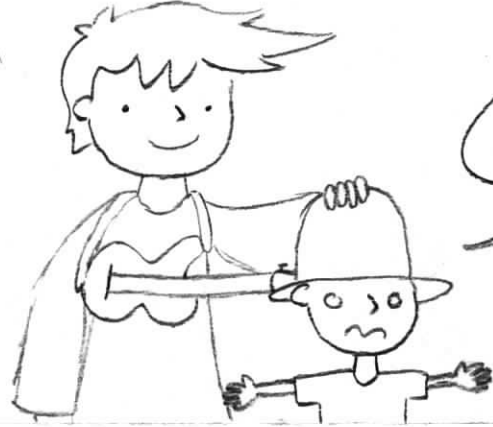

Ok bye.

Meh, I'm sure
Mara will be fine.

Hey Loser I'm
gonna steal your
hat!

NO!

Nah, just
kidding!

Oh, thank
goodness.

Well, we should
go back to town to
let everyone know that
we've killed the
dragon turtle.

Alright! I'll stay
here with Loser in
the...

The Magic Tower (gone)

Magic...
Tower...

Back at the town...

I regret to inform you that Lt. Hughes has sadly passed away.

Dang, that sucks...

I am his replacement. My name is Lt. Colonel Mustang.

Yay!

Anyway, we managed to take down the dragon turtle.

Excellent! I shall have an escort sent here to take you all back to Neverwinter! It just might take a few days...

Alright! I'm gonna go find an inn.

This place looks terrible!

The Salty Fish

Bar & Inn

OPEN

Hello there!
What a fine
establishment
this is!

Why, thank you!
We clean it every
six months!

Do you have
any rooms
available?

We do have one.
It's magically
protected and
actually has a bed!
Only fifty silver per
night.

Back in the forest...

Meh. What a rip off.
I'm out of here.

Guys, I think
we're lost.

Dench! Loser!
Where are you?

Did you hear
that? It sounds
like Snowball's
trying to find us.

No...

We're over here!

Hehehe, none of them have noticed me enter the forest. Now to pull some trickery!

MESSAGE!

Loser! This is your conscience, Loser!

My conscience?

You sound an awful lot like Udran, conscience.

What? No! This isn't Udran, this is your conscience!

Ok fine, it's me, Udran.

Do you think you could pass on a message to Dench?

Sure.

Ring Ring!

Hang on guys, I gotta take this.

Hello?

Hey Dench, it's Udran.
I'm passing on a message
for Loser.

Ok, what did he
want to say?

Uhh... I
forget.

What did you
want me to
tell Dench?

Tell him I think
he's cool and that
he should give
me some of his
armor.

Loser says that he
thinks you're cool
and that you should
give him some of
your armor

Loser thinks
I'm cool?!

I'd focus
more on that
last part.

Here you go, Loser.
You can have my
left boot.

Hurray!

LICK

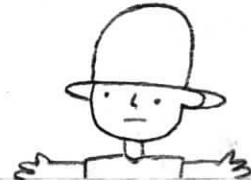

It was delicious,
but sadly, it didn't
fit.

What a
shame.

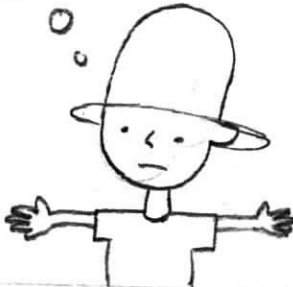

Well guys, we've
got a couple days
to kill before the
squire's twin gets
here.

Alright, I'm
going hunting
in the meantime.

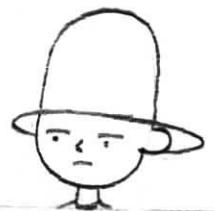

A little ways into the forest...

Hmm... I wonder
what I might find
in this forest.

Oh hey Loser! Fancy running into
you here! Where's the rest of the
group at?

God damn it.

Hi guys!

The Magic
Man!

Ugh...

Would you like
to buy something
from me?

I sure would!
Whatcha got?

This here's a bag
of holding! It'll
hold up to two
thousand pounds of
stuff and still
feel weightless!

I'll buy it!

Hmm... It looks like
once something goes in,
it can't come out...

And yet you've
already paid for
it!

You know, it could
be worse. At least now
I have an infinite trash
bag.

By the way, you should be
running into one of my friends
soon.

Anyway, I need to
get going. Bye!

POOF!

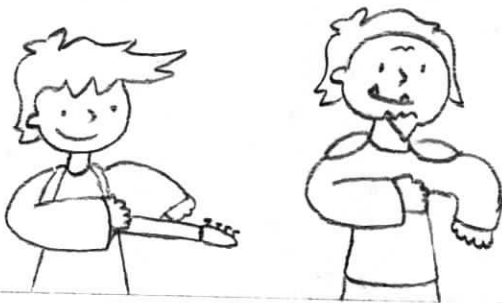

Well, we've still got a couple days to kill. I'm gonna head to town.

I'm gonna go too!

2 BEST FRIENDS,
GOING TO TOWN!

I'm gonna go too!

3 BEST FRIENDS,
GOING TO TOWN!

This place
looks awesome!

The Salty
Fish

Bar & Inn

OPEN

Welcome! What would you like today?

I'll take a pint of ale please.

What about you, bird man? You want some bird seeds? Haha! I bet you want some bird seeds, you stupid bird man!

Here you are, sir!

Thank you!

Meanwhile...

Hello Udran! Are you ready to travel back to Neverwinter with me?

Sure! We just need to group everyone up.

Would you like anything else today, sir?

Actually, do you happen to know of a town called the Dry River Port?

Sorry, I can't say that I do...

That's alright, I'll just take another pint please...

Oh. That guy...

Would you like some more cheetah's blood?

No, thank you! I have become faster than any cheetah's blood potion effect by turning into a wizard.

Then how about a bracelet of speed? Of course, only the bracelet would gain the speed effect.

Or I could give you a third leg... that extends out of your face...

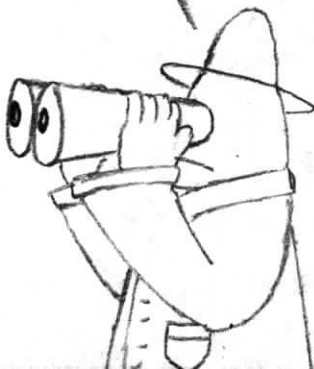

Do you have a potion that could give me a second tongue so that I can eat twice as much ass?

I sure do! Consider it sold!

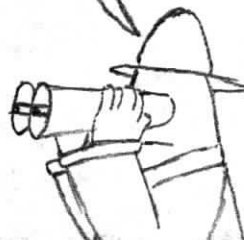

Uh-oh. It looks like you'll be running into my friend soon.

How soon?

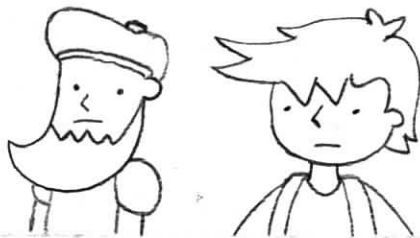

Like forty minutes...

...or maybe three hours...

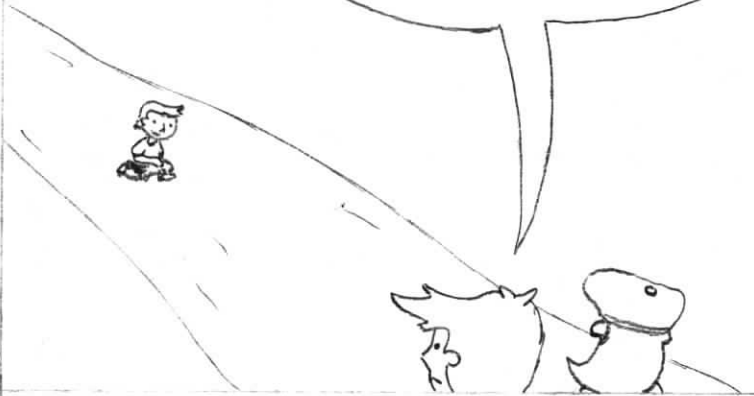

7 hours later...

You know, I have no idea what happened to your friend Loser, but it's been a lot more peaceful.

Uhh, I think we've found a certain someone's friend...

So what's the vibe with this guy?

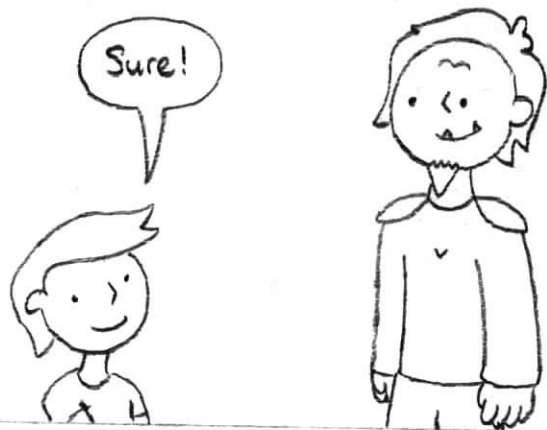

I'd say he's cool?

Good enough.

Hi there! Can I pet your dog?

Sure!

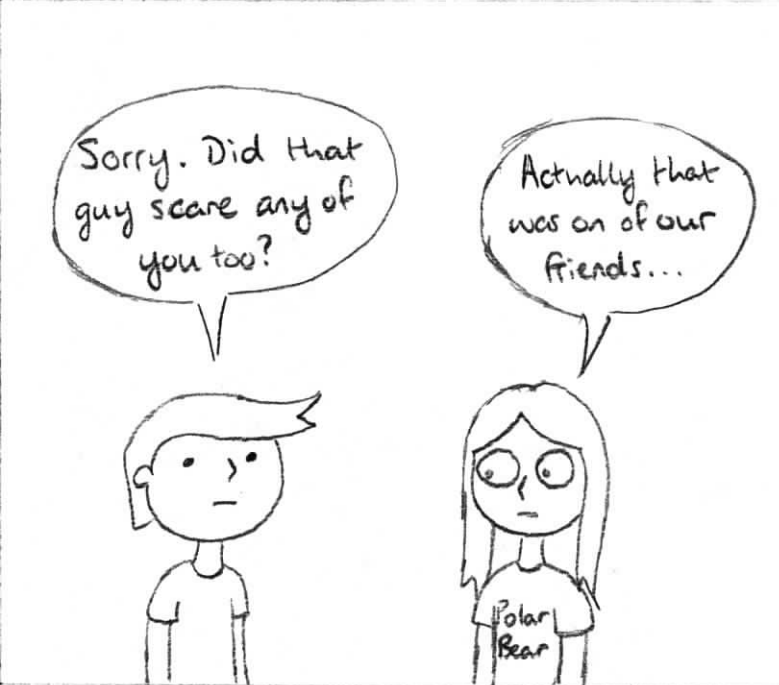

Wow. I must say your tolerance for heat is impressive!

I'm sorry but does anyone speak abyssal? I don't speak common very well...

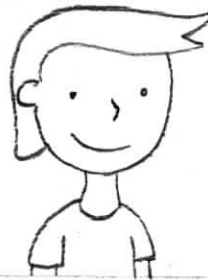

Ok this is great and all
but what are you doing
and where's Loser?

I am on my way to
incinerate a dragon turtle!

Wow, that's a coincidence.
We're just on our way back from
having killed one.

Well that saves me
some time, thank you!

As for your friend,
he'll be back in a
minute.

Ok bye!

1 minute later...

Loser's still not back yet...

Let's give him a night.

The next day...

Oh, Loser's still not back.

You know what? I'm about to say it.

Th-

DID SOMEBODY SAY "THE MAGIC MAN?"

Listen, bud. Your so called friend exited Loser.

Oh dear. I'll see if I can find him...

Meanwhile...

Well Piggy, it looks like we'll have to start a new life here...

HELLO!

Oh... hey...

Your friends say
you've been exiled,
is this correct?

Uhh... yeah...

Your friend sure has been
exiled! So what'll the payment be?

Can you bring him
back if I make this
shot?

Sure!

In real life...

4 FEET!

Cole

MISS

remember to recycle, kids!

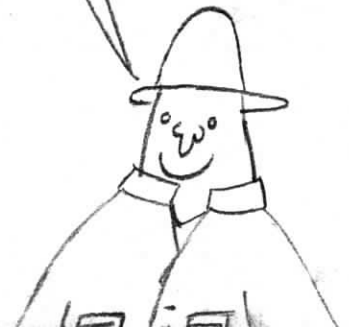

Sorry, you missed...

Aww...

Here, I've been saving this magical
candy since Halloween. Will this do
for payment?

Sounds great!

Yeah, you can eat it yourself, or you can resell it if you want to...

SQUISH

... or you can just crush it between your fingers...

I'll be right back.

Alright, Loser. You're free to return! All you have to do is shake my hand!

Gross...

Oh, and your pig too...

SQUISH

SQUISH

Yay, Loser's back!

Man, it sure is great to be back in this heavily wooded area!

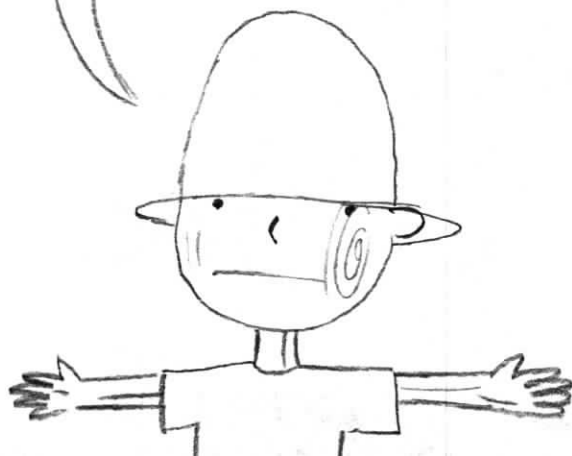

Suddenly...

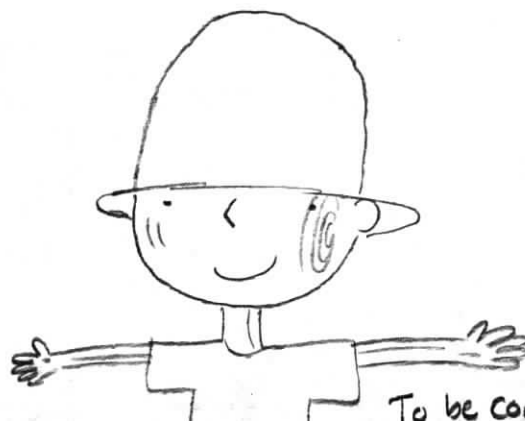

Oh no! I've turned into wood! It must be because of the magic candy!

Oh well, I guess it could be worse...

Now let's go get our reward!

To be continued...
