Back at the village...

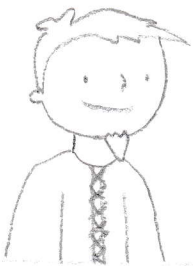

Welcome back,
travelers!

Udran, I assume that
you are in charge of
your group.

You'd be
correct!

What?

I did you the favor of
contacting the king of
Neverwinter and having
him bring you an escort!

Are they bringing the
pig and the cowbell?

What pig
and cowbell?

A few hours later...

Oh! The escort
must have arrived!

3 KNOCK!&
3 KNOCK!&

Welcome, sir.
Right this way!

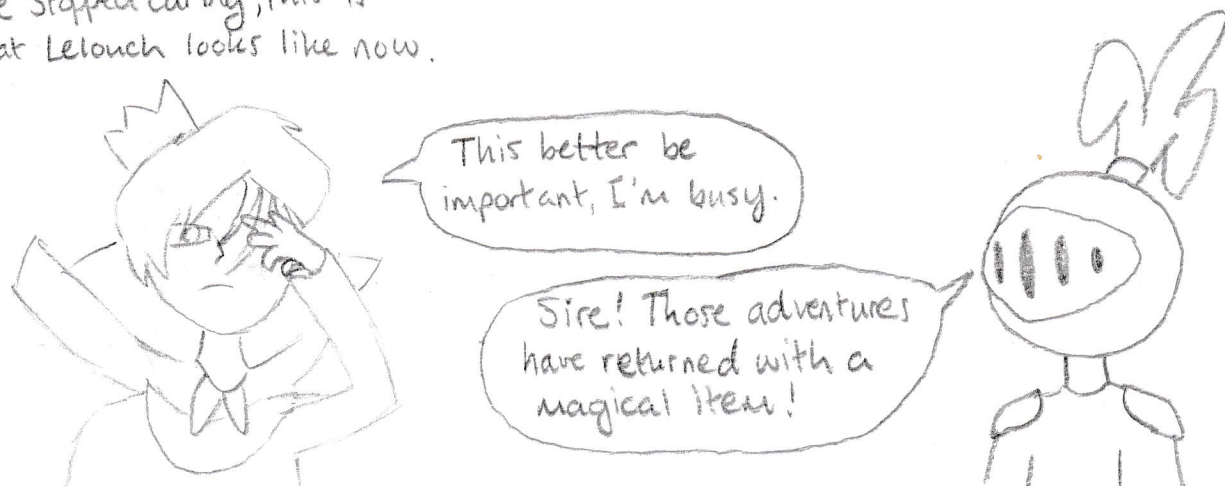

A few hours later, back at the entrance of Neverwinter...

In the castle...

I've stopped caring, this is what Lelouch looks like now.

Trust me his character design will only get worse from here.

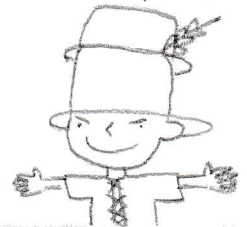

Ah! So you have brought back the skull of Drax!

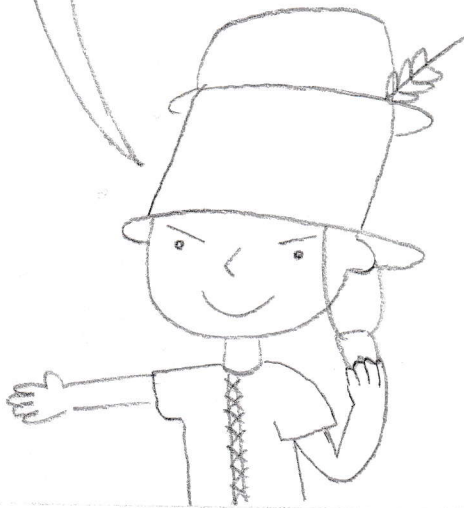

Well, yes, but actually, no...

We found something better!

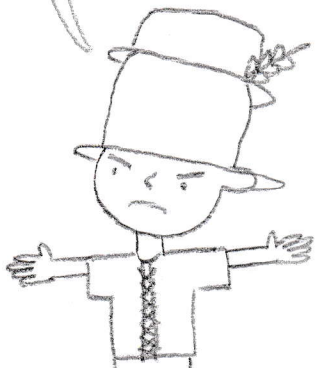

It's a sheep's hoof that gives you happy dreams!

Actually, this is quite useful. Before I give you back your pig, I'm going to have you do one more favor for me...

First show us that Piggie is ok.

And my cowbell!

Ok, follow me...

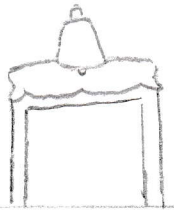

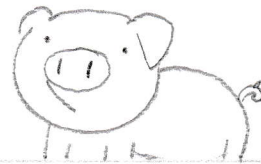

In another room...

As you can see they are fine...

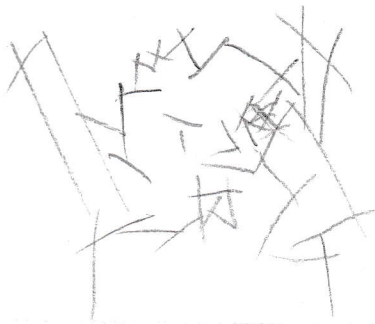

Now if you'll come with me upstairs I'll explain my favor.

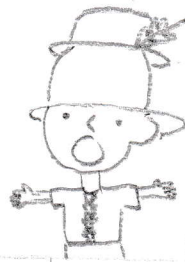

In yet another room...

This room used to be my sister's bedroom. Insert Code Geass reference here.

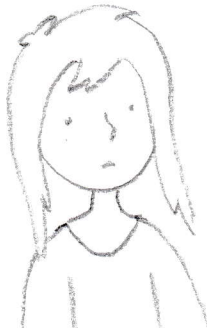

WOAH!

Any idea what they're talking about?

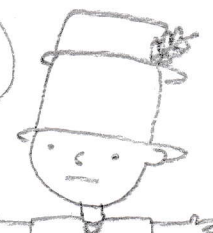

Not a clue...

3 years ago, my sister went into a coma. She looked through the peephole of this gourd and now we're sending people in to try and save her. The reason that your magic hoof is useful is because this place is some sort of nightmare realm.

You talk too much.

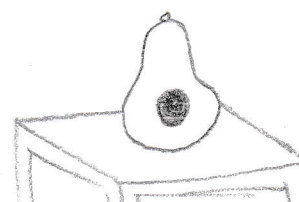

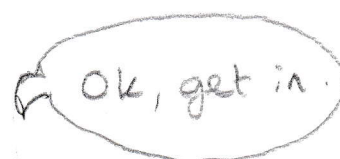

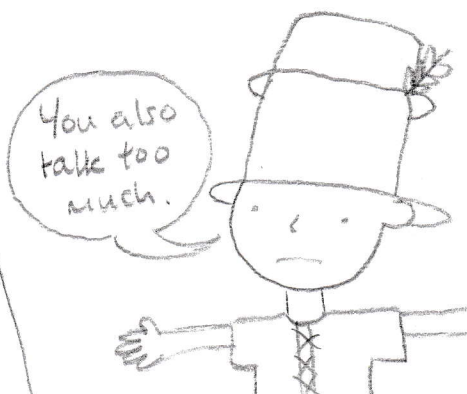

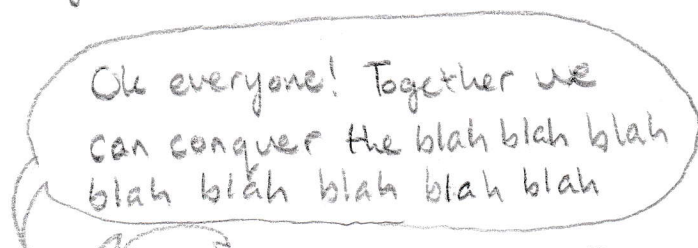

In another room still...

TRAINING MONTAGE!

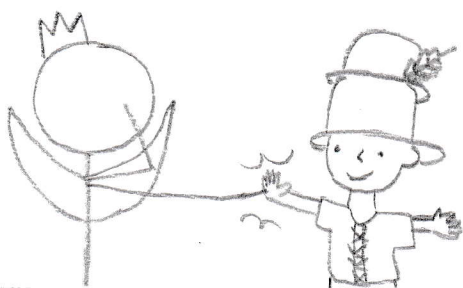

2 days later...

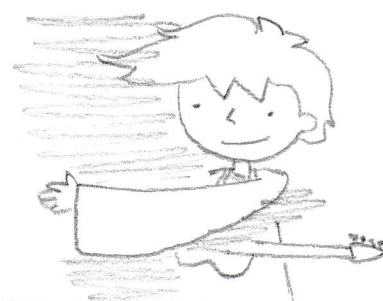

Can I have a high five?

Sure.

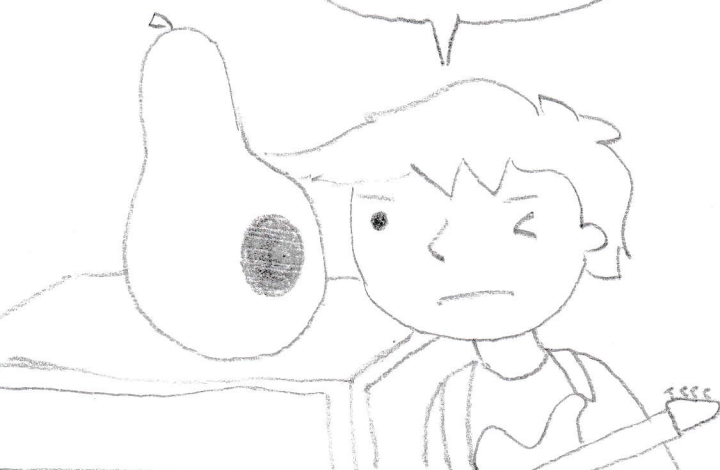

Can I have a hug?

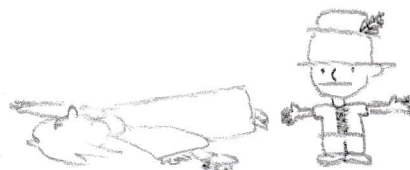

Sure.

Alright, Let's do this!

My turn.

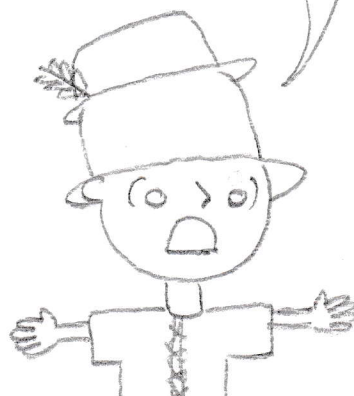

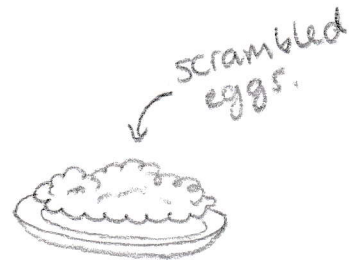

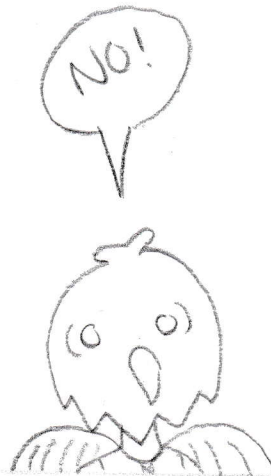

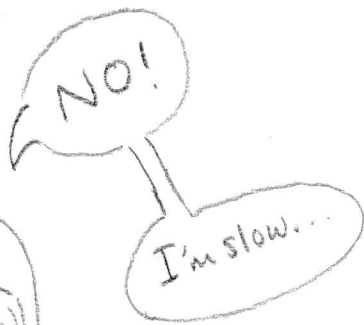

meanwhile, in the nightmare realm...

NO!

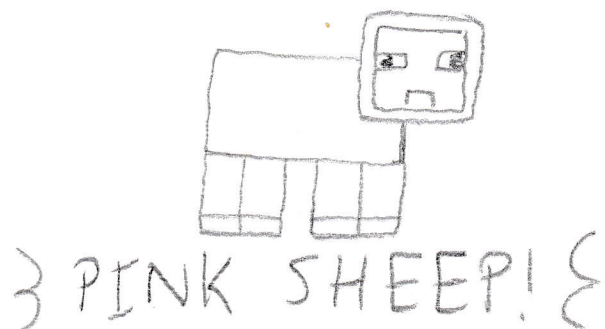

NO!

After moving away from the house...

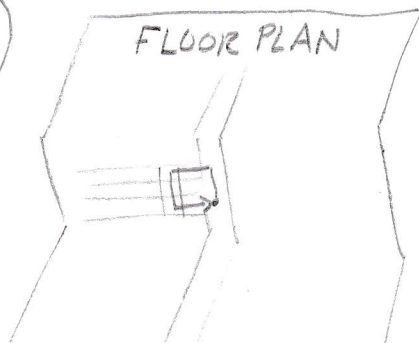

After moving toward the house...

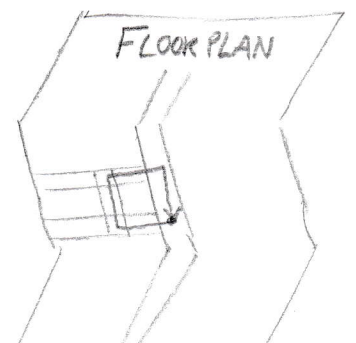

Literally seconds after entering the house...

You see, we took 4 lefts...

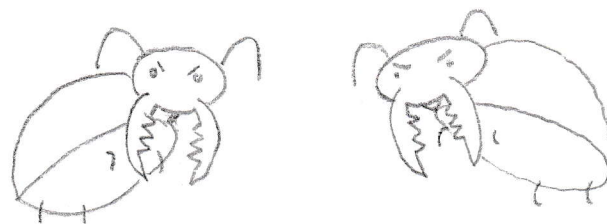

Then we took 4 rights...

Well, we're
still lost...

Wait a minute.
There's something
down this hallway!

THE ONLY WAY FORWARD IS
BACK. LEAVE THIS PLACE OR
YOU'LL NEVER COME OUT ALIVE!

Hmm...

WALK BACKWARDS
TIME!

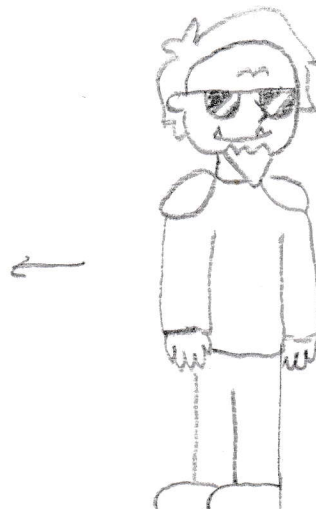

An embarrassingly large amount of time later...

Ok, we made it to
the door, but how do
we get through it?

WALK BACKWARDS

Mmm... the floor is made of Jell-o!

Woah!

CANDYLAND!
